**As the compiler of the this book and having a great interest in the family, I feel obligated to write a little about myself. I was born in the rural area of Cheddar that is located between Williamston and Belton in Anderson County, SC. When about 5 years of age, my parents moved into Williamston. I received my education at Williamston High School where I was president of the senior class. After my military service, I continued my education at Anderson College, Anderson, SC; Furman University, Greenville, SC; Southern Baptist Theological Seminary, Louisville, Ky; and Luther Rice Seminary, Jacksonville, Fla. I also did work at the South Carolina Mental Hospital and the Baptist Hospital, Columbia, SC. My major field of study was psychology and my minor field was history. I was ordained to the Gospel Ministry, 14**

Nov. 1948 by Gossett Memorial Baptist Church (now Calvary). I served for 37 years as pastor of churches in Anderson, Greenville, Laurens, Spartanburg and Oconee counties. I also served as a pastor in Louisville, Ky. I was appointed as a home missionary by the Home Mission Board of the Southern Baptist Convention and I was Director of Mission for the state of North Dakota for five years. After taking early retirement, I served as interim pastor for several churches for the next 5 years.

I volunteered for the Army Air Force Cadet program in 1942. I was sworn in December of 1942. I trained at Miami Beach, Fla, Clemson University, Clemson, SC., Maxwell Field, Montgomery, Ala., Palmer Field, Bennettsville, SC., Shaw Field, Sumter, SC., and Spence Moultrie, GA. I graduated as a fighter pilot and later qualified as a 4 engine pilot (B-24), twin engine pilot and glider pilot. This qualified me to fly all Air Force planes of that time. I volunteered to go to Europe not knowing what I would be flying. I was assigned to the 91st Squadron of the 439th Troop Carrier wing where I flew the C-47 and the C-46. I flew numerous mission in which paratroopers and supplies were dropped. We very often landed just behind the tanks as they moved across France and Germany with their supply of gasoline. We also flew many wounded from the front lines to the hospitals in Belgium, Holland and England. I was landing in Brussels with a load of wounded when we heard on the radio that President Roosevelt had died. I had one mission in a glider in which we landed behind the German lines. We remained behind the lines for a week. I received the Air Medal for this mission. I had two bronze arrowheads and a bronze star. I was very fortunate in that I was never wounded.

I became interest in genealogy about 1955 and I began to collect information at that time. My first book was published in 1962. Other books were published in 1987, 1989, 1990. I have enjoyed the research in connection with these books. I have certainly learned more about South Carolina history doing this than I learned in high school and college. I also enjoyed the 20 days of research in England and Scotland.

The following article appeared in the local Greenville paper after the presentation of the awards on 30 September 1994. GREENVILLE: "The South Carolina Division of the United Daughters of the Confederacy (UDC) held their Ninety-Eighth Division Convention in Greenville September 30th-October 1st. During the convention, five combat veterans were presented the prestigious "Cross of Military Service."The Cross of Military Service is an outgrowth of the Cross of Honor and has been established as a testimonial to the patriotic devotion of certain Confederate Veterans and their descendants... it may be bestowed on lineal descendants of Confederate Veterans who have served honorably in time of war... The Cross of Military Service is to be worn only by the person on whom it is bestowed... Crosses of Military Service are the most prized awards bestowed by the United Daughters of the Confederacy. Recipients who served in World War II were William Smith Brackington, Lewis Phillips, Carl Grayson Ellison and Jacob Fox Strait, Sr. Recipients who served in the Vietnam Conflict were Bobby Mendell Dill. Phillips and Dill are Greenville County residents and were sponsored by the Hampton-Lee Chapter #1281 of the United Daughters of the Confederacy in Greer. Chapter President is Hope Beacham. Corresponding Secretary is Sybil Wilson."

### Longtime health board member steps down

By Kelly Davis Independent-Mail

The minister son of a Williamston miller who spent the last 20 years championing the cause of the mentally ill on the board .of directors of the Anderson-Oconee-Pickens Mental Health Center attended his last hoard meeting Monday

Carl G. Ellison, holder of a doctorate in theology from the Southern Baptist Theological Seminary in Louisville, Ky. and man who spent many years counseling troubled souls as a pastor, said his good-byes to fellow board members over a special meal of fried chicken, green beans and a cake wishing him a happy retirement.

He is moving to his daughter's home in Olive Branch, Miss., a growing suburb of Memphis, Tenn. He said his own poor health and that of his wife of 60 years were the main reasons behind the transition.

"It's been a real pleasure to be on the board," he said. "I've enjoyed working with each of you. It's not ^ move I really want to make."

However, he also will be near his granddaughter and two great-grandchildren, he said.

Mr. Ellison technically is not retiring. Although he will not be present for meetings, he will keep his seat until it expires in October.

Longtime fellow board member and chairman William Pasco knew Mr. Ellison as a child in mid-1930s in Williamston but lost touch with him until he was appointed to the board in October 1984.

In much of Mr. Ellison's time as an appointee, he has been vice-chairman, a busy role that required him to sit on every committee, Mr. Pasco said. He currently is chairman of the Program Committee, responsible for studying proposed new programs.

Mr. Ellison was born in the Cheddar community in 1923. His father operated a grain mill, service station and grocery in Williamston near where the Hardee's resaurant is now. Mr. Ellison majored in psychology, partly explaining his later interest in sitting on the mental health board. He went to work first for the Southern Baptist Convention, becoming 1 head\* of missions for the North Dakota District before coming back to Anderson and leading Beaverdam Baptist Church in Fair Play

He said the greatest accomplishment of the mental health community in South Carolina during his tenure on the board has been the movement of patients institutionalized in Columbia back to their own communities.

"They get more individual attention," he said. "It's so much better in a local setting."

This achievement reflects great credit upon you as parents. Without the proper background and good training which your son received from you, this advancement he has obtained would not have been possible.
