VOL2 ,ISSUE1

March 1989

President's Message:

On January 21, 1989, we celebrated our first year as a Club, based on the date of our first Organizational Meeting. We did not become a recognized Chapter until the second Organizational Meeting held 7 February 1988 when we applied to become the 16th Chapter of the SCGS. It doesn't seem like that much time has passed, but looking over our past accomplishments, we have come a long way fast! Within a month, we produced our First Quarter newsletter that was sent out in March. Since that time, we have formed various Committees, such as Cemetery, Lineage Chart, etc., that are now in full operation and running quite successfully. Again, we owe all the credit to you, our members. We have a great group of people with many years experience in genealogical research. Most members are very willing to help out whether it is on a committee, or helping someone else with their research. Is there any reason to doubt that aren't a great Chapter, with Members like we have?

It has been a very rewarding experience as the President of the Anderson County Chapter, meeting and working with each of you. Thanks for your support and help, and we are looking forward to our second year as your President. Please continue as we have done in the past year, obviously it is working!

Secretary/Treasurer Comments:

My personal thanks to everyone for co-operating by turning in your dues promptly. As of March 6th, we now have 64 members on our rolls.

For those who wish to join our Chapter from existing Chapters, in order to become an Associate Member, please supply us with your State Number, and also one must be a current member of a Chapter to qualify as an Associate Member.

New Membership and Surname Lists will be available at our April Meeting. This has been a time consuming project, but it is almost completed. For non-members, this list will be available, but at a nominal fee used to defray the costs of xeroxing. We will keep you posted on this matter.

The billfold size membership cards for new members will also be available for our April meeting. The membership fees are the same as last year; Individual \$10.00; Family - \$13.00; and Associate - \$5.00. If you have not sent in your dues for 1989, please send it as soon as possible in order not to miss any State or Local publications.

Editor's Comments:

Please note the number of inquiries in this Quarter's newsletter and information sent in to be included as well. We have gotten a lot of queries through the mail from people hearing about our Chapter, and would like to share them with you. If anyone, member or not, would like to submit a query, or seek information you would like to be published, please send it to my attention. Be sure to include your address for responses. This should be material that would be interesting to the general membership, such as short Family Histories.

Bible Records, Lineage Charts, etc., and we will publish it as soon as possible.

Thanks for your support this past year!

Library Committee:

Carl Ellison, the Committee Chairman of the Library Committee has reported that our newest committee is working out quite well. We still have need of more volunteers to aid us Monday through Sunday from 2PM to 5PM. For those of you not familiar with what we are doing, let us fill you in. Seven days a week, for three hours we are volunteering our time to help in the South Carolina Room at the Anderson County Public Library, on Greenville Street. This includes helping keep the books in proper order on the shelves, but especially in aiding other researchers who come in and are not quite sure where to look for what. This has proven so far, to be a worthwhile project, and promises to help many others in the future. The volunteers can work on their own lines when not assisting others, so the time is well spent. Please help us out to make this another successful endeavor. If you wish to contact Carl, please call him at 225-2342.

Cemetery Committee:

Mrs. Lund has been quite busy lately in finding cemeteries that have not been "read" or published before. To prove her efficiency, she has made index cards with cemeteries grouped in the same or general area, to make it easier for volunteers to work in their spare time, depending on how much time we have. If you volunteer for this project, don't think that by taking a card Mrs. Lund will promptly forget who she assigned to a cemetery, she has made a duplicate card and put your name on it as promising to collect the information! This is another of our projects that we feel will benefit not only ourselves, but future generations to come. If you know of any cemeteries that you aren't sure if the information has been recorded, or if you wish to volunteer, please call Mrs. Lund at 646-9590.

Telephone Committee:

This Committee Chairperson, Pauline Averett, is doing an excellent job in calling all our members a couple of days prior to each meeting to remind them of the date and time. She is giving everyone the benefit of the doubt, by calling more than one time. If you have not been contacted, it is only that after two or three calls, we must assume you are out of town. Please show your appreciation to Pauline by thanking her for this considerate, but time consuming project.

Lineage Charts:

Sarah Jean Morris, Committee Chairperson, wishes to thank everyone for the Lineage Charts already submitted. There are still a number of members who need to send in charts. Our reason for pushing this project, is that we would like to make xerox copies of each one, insert them into a binder, and make them available for you to look at each meeting. This will give you a quick overview as to who is working on which families. Who knows, maybe there are others working on the same lines as yourself, and you can join forces to dig out those elusive lines.

MARK YOUR CALENDAR!

Tony Draine, Workshop Committee Chairman, has recently sent us information regarding the 18th Annual Workshop. It will be held July 15, 1989 at Columbia College. The theme for this year's workshop is "Genealogical Research: Methods and Sources for the Advanced and the Beginning Researcher". Registration, which will include lunch in the college dining room, will be \$14.00 for members, and \$16.00 for non-members. The names of the speakers and topics will be announced within the next thirty days.

Each Chapter is asked to set up a display table to sell books printed by them, or any other material that will be of interest to researchers. There are usually a number of "out of town" and local publishers who set up tables and sell their books. This always proves interesting, because of the number of books available for sale, and the variety of subjects offered.

Last year we had eight members going to the workshop, let's plan for more this year. Some can go and share a room on Friday night, and split the expenses, or drive over on Saturday morning. As we get additional information, we will relay it to you. Plan now for a fun and educational experience!

Chapter Representative:

Mr. Ronald Kay, newly appointed Chapter Representative, attended his first meeting on 28 January 1989. He brought back some very good information we would like to share with you.

Our Membership for the Society now totals 1005 persons. There was a total of 135 new members to join in 1988. An updating of the Surname Index was mentioned, but no action was taken. The deadline for the cemetery survey is July 1989, which will consist of the names of the cemeteries, and their locations. Reverend Syfrett donated to each Chapter back issues of the "Carolina Herald". The death records as reported by Alexia Helsey, have been completed for 1915-29. SCGS is underwriting the cost to film 1929-38. The location of the Society Repository as reported by Risher Fairey, is the offer made by the Edgefield Chapter as a previous Board meeting be strongly considered because of it's easy access; State and Local level official records could be accomodated; State and Chapter publications for sale could be housed, and other points in it's favor. Concerning access to death certificates, House Bill 3031 from The Honorable Dell Baker, Greenville, recommends that the 50 year restriction be done away with entirely, and that a 25 year restriction be in force. Dr. Jordan closed the meeting stating that a short history of each Chapter will be distributed at the Annual Meeting to be held in Camden. Our thanks to Ron for being such a good reporter!

The McCrorey Family

The McCrorey family of Fairfield had as it's progenitor in Scotland, Allen MacRaurie,, who married into the Clan Ronald McDonald, and became chief, and taking the part of "Bonnie Prince Charlie" after the battle of Culloden, fled to North Ireland County Antrim. From there, members of the McCrorey, Turner, Adger, and Law families came to Fairfield County, SC.

William McCrorey (1745-1838) was the first of his name in Fairfield. He came there in 1790, having previously married in Ireland, Margaret Adger (1747-1805). They brought three minor children with them: John, who married Mary Margaret "Molly Peggy" Turner; James, who married Jane Crawford; and Susan, wh married William Adger.

John McCrorey (1773-1849) by his wife, Molly Peggy Turner, had seven children: James A., 1802-1893, who married Sarah Lunday Thorn; Thomas, who married a Mis Peyton; Martha, who married Dr. William Thorn; Susan, married Daniel McCullough; Elizabeth "Betty", married Mr. Matthews; Agnes, married John Richmond; Margaret Miller, who married James Adger.

The foregoing reared families, who are mostly buried at Mt. Olivet Presbyteria Church.

James McCrorey, who married Jane Crawford, had two sons; James, who married Lucretia Mobley; and John, who married Dorcas Mobley. Both had large families. Susan McCrorey, who married William Adger, had a number of children also. Some lived in Fairfield, and others in Charleston. The Smyth Family of Charleston are some of their descendants.

James A. McCrorey, (son of John and Molly Peggy Turner McCrorey), who married Sarah Lunday Thorn, lived to be nearly 92 years of age. He was one of the most highly respected men of his day, and had a most kindly disposition. When past four score, he would ride horseback to Winnsboro, and then back home. It is told of his Great Grandfather, Adger of Ireland, owned a linen mill, and that his stamp on a bolt of linen caused acceptance without measurement. Capt. Ellison A. Smyth, now of Flat Rock, NC, has that stamp.

In the Confederate War, James A. McCrorey, had three sons to serve; James Law, William Turner, and John McCrorey. James Law McCrorey was imprisoned at Ft. Delaware, NJ., where he died. He kept a diary, a copy of which has been deposited in the Library at the University of South Carolina. It is a classic and gives an intimate picture of prison life.

James left a widow, Mrs. Mary Adger McCrorey, and four children: Adger, Marv. E. (Mrs. James Ragsdale), John Turner, and William Adger McCrorey.

William Adger McCrorey was one of the bodyguards who conducted President Jefferson Davis as far as Charlotte, NC.

Two other children of James A. and Sarah Lunday Thorn McCrorey, were: Sarah, who married Capt. James Beaty, of Winnsboro; William Turner (1834-1921), married Miss. Mattie Hawthorne, who had nine children: Minnie E., married Mos. H. Mobley; Emma A., second wife of Mose H. Mobley; Nannie Lee, married Pickett McCullough; Sarah, married Edward D. Mobley; Martha, married Thomas Woodward Starnes; James Law, married Maude Edwards; Lou, married J.F. Keller; Sue, married T.T. Farr; and Hawthorne, who married Eulalie Ragsdale.

Note: The above Family History was submitted by Ernest C. Simpson, P.O. Box 681, Iva, South Carolina, 29655. This article, according to Mr. Simpson, appeared in a Winnsboro newspaper around 1942. His Grandmother Simpson nee McCrorey, is a descendant of the Adger and McCrorey Families.
