VOL2 ,ISSUE1

March 1989

## President's Message:

On January 21, 1989, we celebrated our first year as a Club, based on the date of our first Organizational Meeting. We did not become a recognized Chapter until the second Organizational Meeting held 7 February 1988 when we applied to become the 16th Chapter of the SCGS. It doesn't seem like that much time has passed, but looking over our past accomplishments, we have come a long way fast! Within a month, we produced our First Quarter newsletter that was sent out in March. Since that time, we have formed various Committees, such as Cemetery, Lineage Chart, etc., that are now in full operation and running quite successfully. Again, we owe all the credit to you, our members. We have a great group of people with many years experience in genealogical research. Most members are very willing to help out whether it is on a committee, or helping someone else with their research. Is there any reason to doubt that aren't a great Chapter, with Members like we have?

It has been a very rewarding experience as the President of the Anderson County Chapter, meeting and working with each of you. Thanks for your support and help, and we are looking forward to our second year as your President. Please continue as we have done in the past year, obviously it is working!

## Secretary/Treasurer Comments:

My personal thanks to everyone for co-operating by turning in your dues promptly. As of March 6th, we now have 64 members on our rolls.

For those who wish to join our Chapter from existing Chapters, in order to become an Associate Member, please supply us with your State Number, and also one must be a current member of a Chapter to qualify as an Associate Member.

New Membership and Surname Lists will be available at our April Meeting. This has been a time consuming project, but it is almost completed. For non-members, this list will be available, but at a nominal fee used to defray the costs of xeroxing. We will keep you posted on this matter.

The billfold size membership cards for new members will also be available for our April meeting. The membership fees are the same as last year; Individual \$10.00; Family - \$13.00; and Associate - \$5.00. If you have not sent in your dues for 1989, please send it as soon as possible in order not to miss any State or Local publications.

## Editor's Comments:

Please note the number of inquiries in this Quarter's newsletter and information sent in to be included as well. We have gotten a lot of queries through the mail from people hearing about our Chapter, and would like to share them with you. If anyone, member or not, would like to submit a query, or send in information you would like to be published, please send it to my attention. Be sure to include your address for responses. This should be material that would be interesting to the general membership, such as short Family Histories.

Bible Records, Lineage Charts, etc., and we will publish it as soon as possible.

Thanks for your support this past year!

#### Library Committee:

Carl Ellison, the Committee Chairman of the Library Committee has reported that our newest committee is working out quite well. We still have need of more volunteers to aid us Monday through Sunday from 2PM to 5PM. For those of you not familiar with what we are doing, let us fill you in. Seven days a week, for three hours we are volunteering our time to help in the South Carolina Room at the Anderson County Public Library, on Greenville Street. This includes helping keep the books in proper order on the shelves, but especially in aiding other researchers who come in and are not quite sure where to look for what. This has proven so far, to be a worthwhile project, and promises to help many others in the future. The volunteers can work on their own lines when not assisting others, so the time is well spent. Please help us out to make this another successful endeavor. If you wish to contact Carl, please call him at 225-2342.

#### Cemetery Committee:

Mrs. Lund has been quite busy lately in finding cemeteries that have not been "read" or published before. To prove her efficiency, she has made index cards with cemeteries grouped in the same or general area, to make it easier for volunteers to work in their spare time, depending on how much time we have. If you volunteer for this project, don't think that by taking a card Mrs. Lund will promptly forget who she assigned to a cemetery, she has made a duplicate card and put your name on it as promising to collect the information! This is another of our projects that we feel will benefit not only ourselves, but future generations to come. If you know of any cemeteries that you aren't sure if the information has been recorded, or if you wish to volunteer, please call Mrs. Lund at 646-9590.

#### Telephone Committee:

This Committee Chairperson, Pauline Averett, is doing an excellent job in calling all our members a couple of days prior to each meeting to remind them of the date and time. She is giving everyone the benefit of the doubt, by calling more than one time. If you have not been contacted, it is only that after two or three calls, we must assume you are out of town. Please show your appreciation to Pauline by thanking her for this considerate, but time consuming project.

#### Lineage Charts:

Sarah Jean Morris, Committee Chairperson, wishes to thank everyone for the Lineage Charts already submitted. There are still a number of members who need to send in charts. Our reason for pushing this project, is that we would like to make xerox copies of each one, insert them into a binder, and make them available for you to look at each meeting. This will give you a quick overview as to who is working on which families. Who knows, maybe there are others working on the same lines as yourself, and you can join forces to dig out those elusive lines.

MARK YOUR CALENDAR!

Tony Draine, Workshop Committee Chairman, has recently sent us information regarding the 18th Annual Workshop. It will be held July 15, 1989 at Columbia College. The theme for this year's workshop is "Genealogical Research: Methods and Sources for the Advanced and the Beginning Researcher". Registration, which will include lunch in the college dining room, will be \$14.00 for members, and \$16.00 for non-members. The names of the speakers and topics will be announced within the next thirty days.

Each Chapter is asked to set up a display table to sell books printed by them, or any other material that will be of interest to researchers. There are usually a number of "out of town" and local publishers who set up tables and sell their books. This always proves interesting, because of the number of books available for sale, and the variety of subjects offered.

Last year we had eight members going to the workshop, let's plan for more this year. Some can go and share a room on Friday night, and split the expenses, or drive over on Saturday morning. As we get additional information, we will relay it to you. Plan now for a fun and educational experience!

Chapter Representative:

Mr. Ronald Kay, newly appointed Chapter Representative, attended his first meeting on 28 January 1989. He brought back some very good information we would like to share with you.

Our Membership for the Society now totals 1005 persons. There was a total of 135 new members to join in 1988. An updating of the Surname Index was mentioned, but no action was taken. The deadline for the cemetery survey is July 1989, which will consist of the names of the cemeteries, and their locations. Reverend Syfrett donated to each Chapter back issues of the "Carolina Herald". The death records as reported by Alexia Helsey, have been completed for 1915-29. SCGS is underwriting the cost to film 1929-38. The location of the Society Repository as reported by Risher Fairey, is the offer made by the Edgefield Chapter as a previous Board meeting be strongly considered because of it's easy access; State and Local level official records could be accomodated; State and Chapter publications for sale could be housed, and other points in it's favor. Concerning access to death certificates, House Bill 3031 from The Honorable Dell Baker, Greenville, recommends that the 50 year restriction be done away with entirely, and that a 25 year restriction be in force. Dr. Jordan closed the meeting stating that a short history of each Chapter will be distributed at the Annual Meeting to be held in Camden. Our thanks to Ron for being such a good reporter!

The McCrorey Family

The McCrorey family of Fairfield had as it's progenitor in Scotland, Allen MacRaurie,, who married into the Clan Ronald McDonald, and became chief, and taking the part of "Bonnie Prince Charlie" after the battle of Culloden, fled to North Ireland County Antrim. From there, members of the McCrorey, Turner, Adger, and Law families came to Fairfield County, SC.

William McCrorey (1745-1838) was the first of his name in Fairfield. He came there in 1790, having previously married in Ireland, Margaret Adger (1747-1805). They brought three minor children with them: John, who married Mary Margaret "Molly Peggy" Turner; James, who married Jane Crawford; and Susan, who married William Adger.

John McCrorey (1773-1849) by his wife, Molly Peggy Turner, had seven children: James A., 1802-1893, who married Sarah Lunday Thorn; Thomas, who married a Miss Peyton; Martha, who married Dr. William Thorn; Susan, married Daniel McCullough; Elizabeth "Betty", married Mr. Matthews; Agnes, married John Richmond; Margaret Miller, who married James Adger.

The foregoing reared families, who are mostly buried at Mt. Olivet Presbyteria Church.

James McCrorey, who married Jane Crawford, had two sons; James, who married Lucretia Mobley; and John, who married Dorcas Mobley. Both had large families. Susan McCrorey, who married William Adger, had a number of children also. Some lived in Fairfield, and others in Charleston. The Smyth Family of Charleston are some of their descendants.

James A. McCrorey, (son of John and Molly Peggy Turner McCrorey), who married Sarah Lunday Thorn, lived to be nearly 92 years of age. He was one of the most highly respected men of his day, and had a most kindly disposition. When past four score, he would ride horseback to Winnsboro, and then back home. It is told of his Great Grandfather, Adger of Ireland, owned a linen mill, and that his stamp on a bolt of linen caused acceptance without measurement. Capt. Ellison A. Smyth, now of Flat Rock, NC, has that stamp.

In the Confederate War, James A. McCrorey, had three sons to serve; James Law, William Turner, and John McCrorey. James Law McCrorey was imprisoned at Ft. Delaware, NJ., where he died. He kept a diary, a copy of which has been deposited in the Library at the University of South Carolina. It is a classic and gives an intimate picture of prison life.

James left a widow, Mrs. Mary Adger McCrorey, and four children: Adger, Marv. E. (Mrs. James Ragsdale), John Turner, and William Adger McCrorey.

William Adger McCrorey was one of the bodyguards who conducted President Jefferson Davis as far as Charlotte, NC.

Two other children of James A. and Sarah Lunday Thorn McCrorey, were: Sarah, who married Capt. James Beaty, of Winnsboro; William Turner (1834-1921), married Miss. Mattie Hawthorne, who had nine children: Minnie E., married Mos. H. Mobley; Emma A., second wife of Mose H. Mobley; Nannie Lee, married Pickett McCullough; Sarah, married Edward D. Mobley; Martha, married Thomas Woodward Starnes; James Law, married Maude Edwards; Lou, married J.F. Keller; Sue, married T.T. Farr; and Hawthorne, who married Eulalie Ragsdale.

Note: The above Family History was submitted by Ernest C. Simpson, P.O. Box 681, Iva, South Carolina, 29655. This article, according to Mr. Simpson, appeared in a Winnsboro newspaper around 1942. His Grandmother Simpson nee McCrorey, is a descendant of the Adger and McCrorey Families.

VOL. 2, ISSUE 2

June 1989

## President's Message:

This second quarter of the second year looks like we are continuing to do the "right" things as a Club. Our membership now totals 84 persons; a special welcome to our new members, and many thanks to our "old" members for renewing their membership for another year. We are very proud of our Club, and all credit goes to you, the members, who have worked so hard to make us successful.

June 5th will be our last meeting of the summer until we re-convene on September 4th. At that meeting, we will discuss nominating interested parties for the positions of Officers for the Anderson County Chapter for 1990. This will be our first election since our Club was formed in January 1988. At that time, it was decided by the members, that the President and Secretary/Treasurer should serve until the November 1989 elections. We have accomplished many things, and all of which, makes me very proud to have been the first President. My special thanks go to ALL of our members for your trust and support.

## Secretary/Treasurer Comments:

Things are going very smoothly, now that members of other chapters are supplying their State Numbers. This makes my job so much easier when completing the paperwork required. However, for the New Members, Regular Members, and Associate Members, we are still missing the families you are researching. When the Membership/Surname Index is updated, some names will appear, but with no Surnames to research. If you wish to correct this so everyone will know your families of interest, please drop us a note with that information.

MEMBERSHIP FEES: Individual - \$10.00; Family - \$13.00; Associate - \$5.00.

## Editor's Comments:

In our last newsletter, please note the number of queries we had! My thanks to those of you who have sent us your queries, and hopefully, you have received some positive responses and lots of help. Keep 'em coming!

## Library Committee:

Going into the South Carolina Room at the Library on any given day of the week, from 2PM to 5PM, most people will note there is a member or members from our Club who are volunteering their time in helping other researchers in the use of the facilities. The room is much neater due to the volunteers re-shelving books which are used by others and left on the tables. Carl Ellison and his Committee are doing a great job. We appreciate this major contribution by our members. Carl Stone, Library Director, has made many positive comments about the S.C. Room since we have been working there. Remember, if you can't make it on your scheduled day, please let Carl know, so he can get a replacement. For

those of you who wish to serve on this Committee, Carl will be glad to put your names down as volunteers and assign a time which is not only convenient to you, but will help relieve the other members serving on that Committee.

#### Cemetery Committee:

Mrs. Lund, chairperson, reports that a number of people who volunteered to transcribe tombstones, are turning in the results. She wishes to thank everyone for their support in this major undertaking. If you know of a cemetery, church or private, please let Mrs. Lund know where it is located so it can be included in this Survey.

#### Telephone Committee:

Pauline Averitt is obviously doing a great job as chairperson of this Committee in contacting members prior to a meeting. She says that she enjoys talking, and we have noticed, Cline, her husband, has not disagreed on that point!

#### Lineage Charts:

We are still missing a lot of charts, according to Sarah Jean Morris, chairperson of this Committee. Please fill out the charts and turn them in to her. If you need assistance, ask any member, Jim Harper, or Sarah Jean. This is important to us as a Club, because we can see the various families everyone is interested in. Eventually, we will xerox them and make them available to our members at each meeting.

#### WORKSHOP:

Don't forget our 18th Annual Workshop of the SCGS which will be held at Columbia College, July 15, 1989. The theme for this year is "Genealogical Research: Methods and Sources for the Advanced and the Beginning Researcher." Registration, which will include lunch in the College dining room, and will be \$14.00 for members, and \$16.00 for non-members. Tony Draine and his Committee has put a lot of effort in this, to make it another successful workshop, let's show our appreciation by making plans to attend. This can be a time for not only having fun meeting other members from the various Chapters, but, in learning more about how to research, and where to look for specific records. Last year we had eight members from the Anderson Chapter to attend, let's try to meet, and exceed that number this year.

#### Donations:

We wish to thank everyone for their donations in additional money to the treasury, and books given to the Club. If you have books you wish to donate to the Chapter, please contact Jim Harper, President.

VOL. 2, ISSUE 23

September 1989

## President's Message:

We are well into our second year for the Anderson Chapter. It seems such a short time ago we had ideas of starting a new Club. Many things have happened, and the majority of them good. As of August 16th, we had 88 members, which includes Regular and Associate members. This will be our second year as President, and now we will hold our next elections for the Officers, i.e., President, Secretary, Treasurer, etc. It has been a very rewarding time for all of us, and we have proven what a good group of people we have by the success of our various Committees, number of members, etc. In our September meeting to be held the 28th of August, (due to a holiday), we must decide whether to appoint a Nominations Committee by the President, or to select one by the members. The names for the various officers will be presented at our October meeting, and in November, it will be brought before the members for voting. If there are any nominations from the floor, they will be submitted at that time for the members to vote on. I wish to thank all of our members for the moral support you have given me from the very beginning, and for the confidence you have placed in me as your President.

## Secretary/Treasurer's Comments:

I wish to thank each of our members for sending in the information necessary for compiling the Surname List that appeared in the June 1989 newsletter. For dues paid September 1st and after, those people will be members of the local club only, and not of the State. Their dues will go for the calendar year of 1990, and will not have to pay again January 1st, when everyone else's dues are payable. If you wish to submit more names for when we update the List, please send them in as soon as possible.

## Editor's Comments:

Our queries have slowed somewhat, due probably, to so many people on vacation during the summer months. For those who have sent in requesting information, hopefully someone reading this has responded to your query. We wish to continue serving you, so if you have delayed sending yours in, please do so now. We wish to print as many as possible before our term is up in December, and we know the next editor will continue as we have.

## Library Committee:

Each member of this committee is to be congratulated on the excellent job they are doing. Patrons of the Library are constantly commenting how much better the South Carolina Room looks, even out of town researchers have noticed the difference. We know we are not doing this single-handedly, Phil Cheney, of the Library Staff, has his employees keeping the books shelved and in their proper places. Our thanks to everyone involved!

## Workshop:

Our 18th Annual Workshop held in Columbia, was quite a success with over 200 people attending. Tony Draine and his committee are to be congratulated for their efforts to make it another learning experience for everyone.

### Upcoming Workshop:

There will be a Basic Genealogy Work Shop tentatively scheduled at the Library beginning Tuesday, September 19th, 20th, and October 3rd, 1989, from 7 to 9 PM. Jim Harper, will conduct the classes, and says the material to be covered will help those who are just beginning research, or need to know more about where and what records to look for. Stress will be placed on gathering and organizing material, Census Records, Wills, Deeds, and Newspapers. For more information call Miss. Tracy Kreig, at 280-4500, at the Anderson Library. Spread the Word!

### NEWSPAPERS - A VALUABLE RESEARCH AID:

While abstracting the Intelligencer for 10 October 1894, we came across this article filled with genealogical material. The title, "After An Absence of Forty Years", by William M. Gantt. (Tells of leaving Fork Section of Anderson County to live in Alabama 40 years ago). ....While in the Confederate Service from Alabama, at one point of war he was within 20 minutes of his home while crossing the Savannah River at Harper's Ferry (Abbeville County). He named a number of people he knew who have since died, then tells of visiting his brother, James A. Gantt, in Townville. He and brother visited their old home place on the Little River, Abbeville County, and found grave of GGGF Addison Gantt, who came here from NC and died 1807 (Abbeville County). A singular request of being buried at the edge of his yard was complied with, and his wife, a Miss. Wood, was laid beside him. These are the only graves there and all traces of old home are gone. Nearby is the Old Duncan Graveyard where my GF Frederick Gantt who died in 1814 is buried along with his wife. In 1831 my father moved to Craytonville (Anderson County) to live for 13 years, then in 1844, moved to the Fork where he died in 1851, age 50. He mentions attending school at Mt. Bethel in 1838 with Rev. Wilson Ashley, teacher, and then in 1839 went to school at Big Rock in Craytonville. Some of his schoolmates were Harvey, Lawrence, and Jehu, sons of Christie (Christopher) Orr. Harvey and Jehu went to MS and became prominent lawyers and Judge. Harvey has been dead a few years, but Jehu Orr is still living in Columbus, MS. We visited George Long, friend and Army comrade of my brother James..."

By checking cemetery records "Smith's Book of the Dead" for Anderson County, we find James A. Gantt 25 Feb. 1826-15 Nov. 1904, with wife Johanna, 6 Oct. 1829-18 Feb. 1918; John C. Gantt 26 July 1834-3 Jan. 1907, and wife Matilda J. King, 9 Sept. 1848-28 August 1929, married 30 March 1878; John W. Gantt, 4 April 1801-8 July 1851 and wife Jane, 1796-18 Nov. 1873.

In another article, "Souvenir Edition of 1896", Intelligencer, page 24. "John C. Gantt, born 26 July 1834 near old Craytonville, Anderson County, son of John W. Gantt whose ancestors came from NC to Abbeville County and were of Welsh stock. His mother, Jane Mattison, was a native of Prince William County, VA. John W. Gantt moved from Craytonville to Fork in 1844. In 1873, with brother (James C. Gantt) opened a store in Townville. He was Steward of Smith Chapel Church."

Obituary - 4 Jan. 1907.

John C. Gantt died at his home in Broyles, Fork Township, midnight 3 Jan. 1907, age 70. Leaves widow, Matilda King, and 4 children, 2 sons and 2 daughters (Named a daughter, Mamie). Had country store in his home for many years. Was on Board of Commissioners and belonged to Smith's Chapel where he was buried 11 AM, 5 Jan. 1907.

Obituary - 16 Nov. 1904.

... , age 70. He lived most of his life near Townville. Member of Townville Baptist Church where he will be buried today. Survived by wife and 3 children: 1/ John W. 2/ Mrs. J.M. Broyles 3/ Mrs. M.B. Gaines.

And Last:

"History of Saluda Baptist Association", T.H. Garrett, pages 282-3.

Cador Gantt, son of William Gantt, born 15 April 1771, NC. Moved to Abbeville County, SC, where in early manhood united with Little River Baptist Church... died 2 Dec. 1848, married Sarah Pratt, daughter of William Pratt, who survived him several years reaching advanced age of 102 years.

"Little River Baptist Church, Level Land, (Abbeville) SC".

Cador Gantt 15 April 1771-2 Dec. 1848; Sarah, wife of Cador, died 22 May 1858, age 102 years.

By tying these articles in with dates, places, etc., one would assume Cador Gantt was possibly the son of, or related to Addison Gantt. Further research in Abbeville County would probably "tie" these families together.

## President's Comments:

Once again we are at the end of another year. Hopefully we have accomplished most of the things in our lives we promised ourselves that was put high on our priority list.

Our Club continues to grow at a very healthy pace. The membership now is at 88 persons. Thanks to everyone for your vote of confidence in our Club, which you have shown by becoming, or continuing to be a member.

We had our first election in November for Club Officers, and I was included in the nominations for President for the upcoming year of 1990. I have accepted the position for one more year only, for a number of reasons. One being, it was thought by some, that with the many projects we are involved in, and not to break continuity, that I should accept for another year. As I have said, we accepted the position (and are grateful you have placed your confidence in me) for another year.

We are looking forward to the new leadership of our Officers for the new year:

President: James "Jim" E. Harper, Rt. 2, Box 278, Townville, SC 29689  
Vice President: Harvey M. Mullikin, 1611 Pearman Dairy Rd., Anderson, SC 29621  
Secretary: Mrs. Margaret Cole, Rt. 5, Box 65, Belton, SC 29627  
Treasurer: Mr. Ronald Kay, 3001 E. Calhoun St., Anderson, SC 29621  
Editor: G. Alan Johnson, Rt. 2, Box 279, Townville, SC 29689

We wish also to thank John and Sarah Jean Morris for continuing to print our newsletter. They have done an excellent job, and are to be commended. It would be nice for our members to let them know how we feel about them taking their valuable time to do this, and not charging us anything for it.

We look forward to serving you to the best of our ability in 1990.

## Secretary/Treasurer's Comments:

The 1990 membership dues should be sent in as of 1 January 1990, for the upcoming year. For those who paid last year after 1 September 1989, your 1990 dues have already been paid, since that was the SCGS cut off date. A "Membership Renewal" slip can be found elsewhere in the newsletter, and can be used to mail in your dues, along with your check made out to the "Anderson County Chapter of SCGS." This will be my last term as Secretary/Treasurer, and I would like to thank everyone who has made my job so much easier in the last two years. We will begin with a new Secretary, Mrs. Margaret Cole; and the Treasurer will be Mr. Ronald Kay. Please continue as you have in the past, and make their jobs as easy and enjoyable as possible.

The cost of membership dues can be taken from the Renewal Notice. Please make sure that if you are joining as an Associate Member, you let us know your primary chapter, and especially your state number.

### Lineage Charts:

We are asking again, for everyone to turn in your charts showing families being researched. Beginning in March 1990, we would like to print at least one chart per newsletter. We are depending on each of you to follow up on this project.

### Cemetery Records:

The report from Mrs. Lund is "half" encouraging. Some of the members who have volunteered to read the various assigned cemeteries have been sending in the results of their work. There are a number who asked for certain cemeteries to be responsible for. If you have read these, please let Mrs. Lund know, and if you can not read particular ones you selected, turn in your index card with the name of the cemetery on it so it can be re-assigned to some one else.

We are very appreciative for your help in this project, and when we get to the point of completion, we would like to publish it as a Chapter Project.

### Editor's Comments:

Thanks to everyone for sending in your queries and comments this past year. Some, we have answered personally and sent what information we could find, while with others, we have put you in contact with people working on the same line as yours. One of the primary purposes of our newsletter is to give you the information you may need as a member, but especially, to assist you in making your research easier by publishing your queries sent to us.

### SPECIAL NOTE:

Our Club has taken on a great responsibility, in that The Anderson Chapter has been given special permission to reprint "The Traditions and History of Anderson County" by Louise Ayer Vandiver, which was published only in 1928, in time for the Anderson County Centennial.

In order to get the initial money needed to publish, we have contacted some local businesses in the area requesting their support. Some have responded by sending contributins, but we are still a long way from getting the money needed to complete this project. One idea for raising money, was to have a pre-publication order. The book upon completion will sell for \$25.00, while ordering before publication, the same book will cost \$18.00. Also, we have added an index that the original one does not have. The indexing is another of our Club's projects. We are very excited about this re-printing because of the invaluable information found about early Anderson County families found in this area in the late eighteenth and early nineteenth centuries. While some of the early families continued living here, many moved to other states such as; GA, AL, TN, TX, and etc.

If you are interested in seeing this valuable book reprinted, and would like to order one, please contact me for further details: James E. Harper, Rt. 2, Box 278, Townville, SC 29689, or call me at 803-287-4716.

Intelligencer - 12 September 1989

The Atlanta Constitution of a few days ago had an article about an Atlanta man Barney Lee, supposedly being the youngest Officer of his rank in the Confederate Army. I think the youngest Captain was George A. Rankin, a South Carolinian, who was barely seventeen years old when he was made Captain of Co. "L" Palmette Sharpshooters. His brother-in-law a member of the Georgia Legislature from Gordon County, Ga., was in command of the gallant old Company when they did their last fighting under Lee at Appomattox. Captain Rankin is a citizen of Anderson County, S.C.
