

ANDERSON RECORD

ANDERSON COUNTY CHAPTER • P.O. Box 5743 • ANDERSON, S.C. 29623-5743

Vol. 4 - Issue 2

JUNE 1991

NOTES FROM THE PRESIDENT

At the conclusion of the June meeting we are to have a break of two months. I would like to express my appreciation for the fine cooperation during the first six months of this year. The attendance has been good. The programs have been very helpful. We have had much success in our business sessions with two books published. Progress has been made in the courthouse records project, and we have made some progress in our other cemetery projects.

During this summer break, it would be good if we could get the remaining cemeteries read. A special effort in this would be appreciated. The publishing of the cemetery records is very important to all members. Vital information is also provided to those of other states who have ancestors here. Of course, let's not forget that we are leaving a legacy for future generations.

This summer would also be a good time for every member to update the family group sheets. Some members have never turned in a FGS, and it would be appreciated if all members would have the updated sheets ready in our September meeting.
