ANDERSON COUNTY CHAPTER • P.O. Box 5743 • ANDERSON, S.C. 29623-5743

Vol. 4 - Issue 3

SEPTEMBER 1991

## NOTES FROM THE EDITOR

Welcome back! ..... I sincerely hope all of you had a very enjoyable & productive summer. Mine was extremely productive. I managed, with all the rain we had, to successfully cut my 2 acres of grass three or four times a week. My genealogical research was not as productive as I would have liked, but I really did enjoy the summer.

With the arrival of autumn and longer nights our thoughts turn to our research and the satisfaction and excitement of finding that long sought missing ancestor.

Our Club is growing rapidly and genealogical interest nationwide is at an all time high. The use of computers has made research much easier and is also responsible for making genealogical information more available and more prolific. New books are available almost every month, and our club has made new information available and more is planned in the future.

Many of our members have submitted lineage charts, but many have not. Please work on your charts and turn them in. A lot of my ancestors have been determined from lineage charts or family group sheets that were available from someone else.

President Carl Ellison opened the meeting and Carrie Sue Charping read the minutes from the last meeting and Pansy Julian gave the Treasurer's report. Carl announced to the chapter that Mr. Lund, one of our more active members, was sick and in serious condition in the Intensive Care unit at Anderson Mem. Hosp.. We understand that he is doing much better now.
