NOTES FROM THE EDITOR

The first two meetings of the year are now history and it seems like we have more attendance each time and the programs are excellent. However I feel like we are still not taking advantage of the newsletter to inform the general membership of the genealogical lines that we are researching. We can do this with queries and with completed lineage charts.

Ronald Kay, our Corresponding Secretary and who is related to every one of our members has made up a new membership application form which requests more definite and specific information on the family lines we are researching. These new forms were passed out to the members that were present at our February meeting, and from what I observed quite a few of these were filled out and returned at the meeting. At present the plans are to mail these forms to other members in this newsletter. If you do not receive this form please contact Ronald Kay and he will be glad to see that you receive one.

Our membership has a surname file for each member, but if you only listed such common surnames as Thompson, Kay, Smith, or Martin, for instance, you are covering a lot of territory. We are asking members to be more specific, i.e., Christopher Smith - in Anderson Co., 1840. Efforts will be made to make this list available to the membership.

NEXT MEETING - MONDAY 6 APRIL - 7 P.M.

JANUARY MEETING

Our Chapters first meeting of the year was held at the Anderson County Arts Council building, January 6, 1992, with 46 present, including three visitors. Jim Harper, president, presided.

The visitors in attendance were: Ann Sanders, Jerry Kay (from Atlanta), and Pearl Green from Louisiana. Minutes were read and approved, the treasurers report was given, and the new officers and committee members were introduced.

Certificates of appreciation were presented to Wayne Bratcher, in his absence, for his contribution of cemetery records, and to Phil Cheney for his help with research at the library and his getting the chapter started with publication.

Mary Lund sent two reports: The cemetery report included the fact that Wayne Bratcher was working on Roberts Church Cemetery and Brazaale private cemetery in Belton.

It was reported that information taken from the cornerstone of the 1897 Anderson Co. Courthouse would soon be published. Phil Cheney proposed a radio informational and call-in type program as a way to publicize chapter projects. A decision would be made at the next meeting.

Carl Ellison, chapter president for 1991, thanked members for their support in making his term of office successful, also for expressions of concern during his illness last fall; the chapter then expressed appreciation for his leadership.

Margaret Coker, program committee chair, made an informative and entertaining presentation of her experiences as a researcher from a novice to one with expertise. And had a really nice handout on her ancestral lines.

FEBRUARY MEETING

The February meeting was held at the Anderson County Arts Council building on Monday, Feb. 3, with 42 present, including three visitors and the guest speaker. The guests in attendance were; Joe Cheatham, Jennifer Roosman, and Ronald Smith.

After reading of the minutes and a treasurers report, two projects discussed at the January meeting were discussed and approved. First, the chapter voted to store books and other materials that had been donated to a cabinet downstairs. Doors would need to be built for the cabinet and a lock and key provided. The chapter also voted to try a half-hour radio program.

Additional reports included: Katie Campbell contributed a history of Mt. Bethel Baptist Church, Mary Lund sent a message that the work with old Courthouse records would soon be complete. Work was being done on Volume VI of cemetery records, and Wayne Bratcher was reading old Roberts Church Cemetery.

All members interested in a trip to the National Archives-Southeast Region at East Point, Georgia, were asked to sign a sheet; Sue Brewer was working on plans.

Margaret Coker, program committee chair, introduced guest speaker Kathy Hequembourg, with American Fast Photo in Anderson. Kathy presented information on reproducing and preserving old family photographs.
