LET'S MAKE THE CENSUSES MORE USEFUL!

Mrs. Adelyn Stegall Stevenson, 170 Little John Trail, Atlanta, Ga. 30309-2622 has brought up a very useful suggestion - that the 2000 census include the MAIDEN NAME ONLY of married women responding to the enumerator!

"Full names would be more desirable, rather than initials, as any one of the 26 letters of the alphabet tells no more than another. In the case of females, request that [their] full maiden name only be given. the question of [marital] status is answered in the 'now married, widowed, divorced, separated, never married' category.

Since the census is taken to tell us about ourselves, it seems a most logical beginning would be to provide space for full names of all. It appears to be rather discriminating to encourage married females to omit the name of their birth family... This change of emphasizing maiden surnames, and full names of both men and women is most important."

If you think that is a good idea, then write MRS. HARRY SCARR, ACTING DIRECTOR OF THE CENSUS BUREAU, DEPT. OF COMMERCE, WASHINGTON, DC 20233, and send a carbon to your CONGRESSMAN.
