The Anderson County Chapter invites members and nonmembers to submit articles on anything which would be of interest to Anderson County researchers. These may include, but are not limited to, the following: church, newspaper, Bible, military, slave and cemetery records; abstracts of Anderson County records; and what happened to our "family or cousins" who moved away. Please photocopy any original family documents, such as Bible records. Include the title page, showing the date of publication, if possible. A typed or printed transcript of the photocopied record would also be appreciated. Information regarding family reunions is also accepted. Please send these articles or your comments to the Newsletter Editor at the above address.

Our next meeting will be held Monday, October 2, 7:00 p.m. at the new Anderson County Library. After the meeting we will take a tour of the new library and enjoy fellowship and refreshments. New and exciting things are in store, so don't miss this meeting.

The following Bible Records were submitted by Michael Harbin:

THE DICKERT/NIXON BIBLE RECORD

This Bible Record starts with the marriage of Simon Peter Dickert to Susan Crommer on the 18th of December, 1844, then when Lemuel Dickert married Martha Jane Davis, the widow of James P. Nixon, she listed her Nixon family. This Bible is in the possession of Michael Harbin.

A copy of the actual Family Register pages, and loose pages, from the Bible, follow the transcription of the records. Comments are in ().
