Anderson, SC 29622-0074

Dear Ms. Brewer:

Thank you very much for publishing my lists of men who served from Anderson District, South Carolina, in the Confederate States Army during the Civil War.

The response that I have had from your members has been very favorable, and I have received much information about Confederate soldiers from them. Apparently, many people who are doing genealogical research are very interested in preserving memories and records of the military service performed by their ancestors in the distant past.

I am enclosing another list of soldiers about whom I am seeking additional information. If you have space for this six-page list in your next newsletter, I would certainly appreciate your including it. Because there are thousands of these men who served from Anderson District, I certainly need all the help that I can get from their descendants and other interested persons.

I am also interested in obtaining photographs of these soldiers, preferably in uniform. Of course, I don't want original photographs---but copies of the same. In fact a Xerox or similar copy would be most welcomed. These photographs will be used as illustrations to accompany the biographical sketches that I am preparing of Confederate soldiers.

Thank you very much for your help and consideration of my request.

Sincerely,

Charles H. Busha
