## RESEARCH ROOM

Carolyn **Duncan** has bought some new books for the Research Room-Pendleton District SC Deeds 1790-1806 by B. **Willie** in honor of Ed **Martin**, Federal Census of Abbeville Co. SC 1810-1840 by L. **Pursley** in memory of Sam **Hobson** and Early Anderson Co. SC Newspapers, Marriages & Obituaries 1841-1882 by T. **Wilkinson** in memory of Katie R. **Campbell**.

Rev. Carl **Ellison** has a number of bound books on family history and some CD's for sale. Carl spends a good deal of his time and money on preserving history in the upstate. We need more volunteers like Carl.

Jim **Harper** has submitted his African-American database on Family Tree Maker and has over 1,800 people listed.

Recent additions have been Six and Twenty Baptist Church Minutes 1835-

1917, Lebanon Baptist Church minutes 1833-1873 transcribed by Jenny **Gentry**, Minutes of Big Creek Baptist Church 1785-1988 by Franklin **Spearman**; Shiloh Baptist Church and Bethesda United Methodist Church, both in Powdersville, SC as well as Mt. Springs Baptist Church by Debbie **Harbin**.

Because the old newspaper *Pendleton Messenger* has been abstracted by the Old Pendleton District newsletter and scanned into an online database by Paul **Kankula**, a search by name can be made of that early Anderson County paper at the Research Center. Also old newsletters from Old Pendleton can be read at <[www.oldpendleton.scgen.org](http://www.oldpendleton.scgen.org)>

The 1860 Slave Schedule has been added to the list of acquisitions as well as maps for various areas of the state in Mills' Atlas and a recent acquired maps database.

A number of people have been helped in finding their family. Several people through contact with our booth at the Williamston Spring Water Festival have come to the center to investigate our holdings.

### **Abbreviated APRIL Minutes**

The Anderson County Chapter of the SC Genealogical Society met April 6 at the Anderson Public Library. There were 40 members and visitors present. President Philip Cheney called the meeting to order and Dr. Ellison gave the invocation. Officer reports were given. Treasurer reported \$14,432.41 for February and \$14,318.75 for March. Judy Long gave a report from the state organization and announced that Charleston will be the site of the 2011 National Genealogical Society. Carolyn reported that our chapter will host the State Fall Meeting and announced that a committee will be working on the details. The speaker was Jerry Alexander who spoke on the Cherokees of the Upstate. He mentioned Andrew Pickens, famous Indian fighter who signed a local treaty in 1785. He mentioned names of towns and forts, especially one outside of Walhalla on Hwy. 11 at Oconee Station, with a Ranger and free admission. Pat Chamblee, Recording Secretary

### **Abbreviated MAY Minutes**

The chapter met May 4 at Anderson Public Library with 33 members and visitors present. President Philip Cheney called the meeting to order and Dr. Ellison gave the invocation. Officers' reports were given. Treasurer's report for April was \$14,489.75. As of April, we had sold 849 Heritage Books. Our meeting in June could be at the Midway Presbyterian Church, to be announced. A hand drawn Genealogy chart is trying to find a member of the EARLE family for a home. If you know a member of the family, get in touch with Philip. Judy Long introduced our speaker, Dennis Chastain who is a writer for the SC Wildlife Magazine. He became interested in the Cherokee Footpath and has spent time researching and following the trail. His slide presentation was a tour of the various counties the trail was still present. Pat Chamblee, Recording Secretary

### **Abbreviated JUNE Minutes**

The chapter met June 1 at Young Associated Reform Church for its annual picnic, with 26 members and visitors present. A brief history of the church was given by Mrs. Ruth Cheney. The church was originally on the corner of McDuffie and Society Street, but after the church burned, Dr. J.R. Young and family gave the property in memory of their son, hence Young Memorial. Business was short. A motion was made, voted and passed that gave the Research Room \$500 for books and materials. The program was a show and tell meeting with members sharing some anecdotes on their search for family. Members were asked to bring a covered dish and a lovely dinner was provided. Pat Chamblee, Recording Secretary

QUERIES: My GG-Grandfather Robert A. **HUBBARD** married Lucinda **SMITH** on April 11, 1841, both were from (Old) Andersonville, South Carolina. The ceremony was performed by Rev. David **SIMMONS**, and it probably took place at Andersonville Baptist Church which Rev. Simmons helped establish in 1839. I am in hopes some old Town and Church records or Cemetery records will shed some light on these early families, but have been unable to find any from the net. Lucinda, born ca.1820, TN, may possibly be the daughter of a John S. **Smith**, originally from Greenville, SC. His will was probated there in 1838 and listed a Lucinda Smith as daughter ?? Robert A. Hubbard, born about 1814, SC, was the son of early settler John Hubbard from Andersonville, SC who lived near the Tugaloo River?? Their children were Leonard Franklin Hubbard and Kezziah Jane Hubbard. Any help your members can give me on the town, the church, and the couple would be appreciated. Danny **SKILLMAN**, 7343 County Hwy 39, Altoona, AL 35952 <[dj4skillman@gmail.com](mailto:dj4skillman@gmail.com)>

I need information on Benjamin **GUTHRIE**(1796-1873) and his wife Rebecca **McMURTRY** Guthrie (1818-1902). They lived in Anderson County. Ben was a militia volunteer for the War of 1812. In Rebecca's application for a pension many years later she had to provide proof of marriage. She did so by producing "a large family bible" with many vital statistics. So somewhere out there is a treasure of information. That is what I am after. If anyone can provide any information, please let me know. I have checked the NGS website for family Bibles to no avail. They are my gg grandparents and I am descended from Louisa Guthrie and Ezekiel Albert **DURHAM**. Thank you.

## Martin Township

By Louise Ayer Vandiver

Published "The Anderson Independent"  
30 Sep 1927

Martin township is so named in honor of one of its best loved and most prominent citizens of the earlier time, Colonel John Martin, who was born September 1<sup>st</sup>, 1793. He lived and died on the place where he was born. His father was Roderick Martin, one of the pioneer settlers of the Varennes section. His mother was a widow, Mrs. Taylor, when she married Mr. Martin and John was the only child of that marriage. When only nineteen years old Mr. Martin volunteered in Captain Thomas' company, composed of Pendleton and Abbeville men, and served in the war of 1812. At the time of his death in 1880 he was probably the last survivor of that company. As long as he lived he drew a pension for services in that war.

John Martin married Cynthia Rutledge, daughter of another pioneer settler of what later became Anderson County, whose home stood about where was located what was long known as "The James F. Drake place." To this couple was born 16 children, 11 of whom lived to be grown, eight sons and three daughters.

Mr. Martin's early experience in war gave him a taste for the military and in early life he became captain of "Bear Creek Company," and later colonel in the Fourth Regiment of SC Militia. In 1832 Colonel Martin represented his county in the legislature. In 1836 he became ordinary of the county. In 1846 Colonel Martin was elected sheriff and again he held that office in 1854. He was a delegate from Anderson county to the state convention which passed the ordinance of secession in 1859. When in 1860 volunteers were called for he enlisted in Captain Anderson's company and went with the company to Columbia. He took with him his old rifle which he called "Old Friday." The authorities appreciated his patriotism, but decided that he was too old for service, he being at that time 67 years of age. It was with difficulty however that the old man was persuaded to return home and leave the fighting to younger men.

Colonel Martin was quite a sportsman and hunter especially wild turkeys which were abundant in his day.

Although a man of fine moral character, he never united with any church and was on that account the source of great grievance to the preachers of his locality.

Colonel Martin was immensely popular in his community and a most useful and honored citizen.

There are many descendants in the county today and many scattered throughout other states.

Martin Township embraces the old Ebenezer church neighborhood, the first Methodist church of the county, and its nearby school, which exercised a great influence in its day, one of the first schools of the section. The old church stands on the old road between Anderson and Abbeville, about a mile from Rocky river and ten miles from the county seat. Several roads cross and diverge there forming something of a center. In the same neighborhood were the old Varennes Presbyterian church and Baptist church, all among the first churches of the county.

Several other families prominent in the annals of Anderson county settled first in that neighborhood; among them that of Mr. Elijah Brown, one of the pillars of Old Ebenezer church and a man who stood for education and progress. He also has many descendants in the county and the city who have contributed much to the uplift of the community.
