Last Will & Testament
of
Doct John Logan decd

South Carolina, Abbeville District.

In the name of God, Amen.

I, John Logan, being sound in mind but frail in body, and being mindful of the uncertainty of life, and being desirous of disposing of all such worldly estate as God has given me I do make and ordain this my last will & Testament.

First - It is my will that all my just debts be paid, as soon as it can conveniently be done, and that all debts due me be paid or collected as soon as circumstances will permit, as I wish all my obligations discharged & all my dues collected.

Second It is my will & desire that my Daughters Sue & Ellen Logan, for the present remain at my place in Greenwood making that place their home.

Third Having great confidence in my Grandson Wm. Rayford Logan's skill, prudence and management, it is my will that he remain with his Aunts Sue & Ellen at my place in Greenwood, that he superintend the care of, and provide for them, that he shall have all the care direction & management of all such matters and things that may come under his control, that he however be subject to the control and direction of my Executors hereafter named; it is further my will and desire that said Wm. R. Logan shall have the

(Contd.)

management and superintendance of my farm on Coronado.
 Fourth It is my desire that my plantation on Coronado with all its
 plantation tools and all other property thereon remain together
 for the present & that the farm be carried on under the direction
 superintended and management of my said Grandson
 Wm. R. Logan. Provided nevertheless that with the uncertainty
 of the times the great difficulty of contracting labour & the great
 uncertainty of any profits arising from that labour, or my Executors
 shall find that it is not to the interest of my Estate to keep up
 said place, that they hereby have full power to sell said planta-
 tion - Stock, farming tools, Provisions &c. should said plantation
 be sold I wish all the provisions stocks &c. or whatever Ellen &
 Sue may wish for their use or the use of the place at Greenwood
 reserved from sale, & to be transferred to that place for the use
 and benefit of that place, & it is my will and desire that
 at any & all times, that any thing that may be on my Coronado
 place, shall be subject to the order of my Daughters Sue & Ellen
 I mean such things as they may want for their own use & benefit
 or the use of the Greenwood place, it is further understood, that
 should that plantation be kept up, that all supplies necessary
 for the support of the Greenwood place shall be drawn from
 the Coronado place.

Fifth. I have hitherto given my son John H. Logan as much
 & perhaps more than I now have or shall have to leave
 to my other children, and not wishing to make any difference
 in them & having lost the most of my property by the result
 of the late war, I am unable to leave him any of my now
 small estate. It may so be that my Estate will be required
 to pay my portion of a note of which I am one of the sureties,
 to the Delato Estate, also my portion of a note I am surety to
 or the part I am liable for, for the purchase of the Abbeville
Banner. should my Executors have these abs or my portions of
 them to pay - then my son John H. Logan, should pay to my
 Estate the sum of Five Hundred Dollars.

Sixth It is my wish that my Daughters Sue & Ellen & my Grandson
 Wm. R. Logan remain on my place in Greenwood for the present,
 that they have full power to draw from my Coronado place
 all the provisions they at any time may need, if not on the
 Coronado place, then my Executors are required to buy what
 ever may be necessary for the use & benefit of said place;
 and it is here expressly understood, that any thing that
 my Daughters Sue & Ellen, or Grandson Wm. R. Logan may
 (want)

- want, or really need, that my Executors be required to purchase for them so long as they may have the means to do so.
- Seventh. In regard to my House & Lot in Greenwood I wish my daughters & my Grandson to make that their home, if however in the case of the marriage of either of my daughters or my Grandson Wm R. Logan - if they die & leave no children then the property shall go to the other Heirs entitled to receive it; if they have children and die & leave such children, the said children shall be entitled to receive all the benefits or portion of the property the Parent would have received under this will - if a child it shall receive the Parents portion if children a parents portion.
- Eight. It is my will and desire that my entire family remain at Greenwood, but should it so happen that they can not remain, that Ellen & Sue prefer to move or that Raiford does not think it will be his interest, then with the concurrence of the Executors that they have the right to sell the plantation lot or Tract of Land in Greenwood known as the Greenwood Lot Containing about Forty acres (40 acres)
- Ninth. I have some Six Thousand Dollars worth of Stock in the Kings Mountain Iron works, I have also some stock in the Greenville & Columbia Rail Road Company; in regard to these stocks my Executors must use their discretion, & sell when they think the most favorable time.
- Tenth. Having great confidence in Wm R. Logan I entrust it on him to have all the care over his Aunts Sue & Ellen - to do all in his power for them, to render them all the assistance in his power, & to make them as comfortable & happy as may be in his power to do.
- Eleventh. It is my will & desire that on my Grandson Wm R. Logan reaching the age of Majority that he receive the entire control & management of my Estate & he is hereby appointed Executor to take effect at that time. My Executors hereby appointed will please not till that time make up their accounts to that time then turn all over to Wm R. Logan that may be in their hands.
- Twelfth. It is my will and desire that each of my daughters Sue & Ellen receive the same amount of my Estate that which my Grandson Wm R. Logan had the most of his Estate ^{in the late war} in consideration of his services in his Estate & his death, I require request & enjoin on my

Executors to make said Wm. N. Logan equal with my daughters
 Jane & Ellen in my estate, he shall in every sense be equal to them
 in portion of property &c.

For as Law, Robt Anderson & Jas D Williams are hereby
 appointed my Executors to carry into effect this my last Will &
 Testament given under my hand & seal this 17th day of July 1866;

Last will & Testament
 of B. M. Cheatham dec'd

The State of South Carolina

In the name of God! Amen!!

I. Bartlett M. Cheatham of the District

of Abbeville and State aforesaid being of sound and disposing
 mind, memory and understanding but calling to recollection
 the uncertainty of life and being desirous of making a disposition
 of my worldly estate and effects, do make this my last will and
 testament.

Item 1st My will and desire is that all my just debts be paid
 by my executor as hereinafter provided.

Item 2nd I will devise and bequeath unto my beloved wife Sarah
 E. the following property to wit all the real estate of which
 I may die seised and possessed except the Burnette Tract
 on Calhoun's Creek - my Carriage - Carriage horses and
 harness with one half of all my stock of horses, mules, hogs,
 Cattle and sheep - my waggons, Carts, all my plantations
 tools and farming implements of every nature and kind -
 all the provisions on my plantation at the time of my death
 household and kitchen furniture of every nature and
 description with the following family of negroes, to wit,
 Ann and her two children Manerva and Jerry together
 with all their future increase, and two fifths in value of
 all the negroes I may own at the time of my death exclusive
 of Ann and her increase - the valuation to be made in
 the following way - that is to say. I desire my executor
 hereinafter named to select five discreet and disinterested
 persons who shall divide my negroes into five equal lots and

my said wife shall choose from them two such lots as she may desire - the division of the stock also to be made by the same persons - and it is my will and I couple it with this provision for my wife that she shall keep up the farm and afford a home to my children so long as they are single and during their minority free of charge for board, and she shall from the proceeds of the farm clothe and educate them in a suitable manner; but if it should happen or become necessary for any of my children to board from the home hereby provided for them, in order to complete their education then they shall pay their board from their own estate, my wife to pay for their tuition and clothing only, But it is my will that the estate hereby devised and bequeathed to my said wife shall be an estate for and during her natural life or widowhood only and after the happening of either of these events then the estate hereby given to her shall be disposed of in the following manner that is to say. If my said wife should marry again, then and in that event my will and desire is that all the property of every nature and kind herein before devised and bequeathed to her (with the exceptions of the negro Ann and her two children Manerva and Jerry with their increase and two beds and necessary furniture) be sold by my executors hereinafter named upon such terms as they may think best and that they take from the proceeds of the sale the sum of Two Thousand Dollars and place it at interest in good hands - the interest to be paid annually and given by my Executors to my wife and no one else for a support during her life - which together with the negro Ann and her two children Manerva & Jerry and all their future increase I consider a suitable provision for my wife for her life - The remainder of the estate raised by this sale after deducting the two thousand dollars - and the two thousand dollars and the negroes Ann and her children and their increase at the expiration of the life of my said wife to be disposed of as hereinafter provided

But should my said wife not marry a second time then and in that event my will and desire is that she have the full and free use and enjoyment of the property herein before devised and bequeathed to her for and during her natural life, after her death the same to be disposed of as hereinafter provided

Item 3^d My will and desire is that in the event my said wife should marry again then the proceeds arising from the sale of the

property given to her for life or widowhood (after reserving the negro Ann and her children with their increase) deducting therefrom the sum of two thousand dollars as aforesaid shall be equally divided amongst my children who may then be living and the children of any deceased child who are to represent their parent and take the share such parent would have been entitled to if living. But should any of my children die (as in the case of my daughter + + + Pamelia leaving only one child surviving at the time of the second marriage of my said wife, then I desire that such child shall receive only one half of the share which the parent of such child would have been entitled to if living (this provision throughout this my will to apply to the son of my deceased daughter Pamelia - the remaining half to be equally divided between my children living at that time and the children (being more than one) of any deceased child who shall represent their parent and take as a class the share such parent would have been entitled to if living.

Item 4th - But if my said wife should not marry again then my will and desire is that after her death my executor hereinafter to be appointed shall sell all the property of every nature and kind given to her for life together with all the increase of such as may have had increase including Ann and her children and their increase upon such terms as in their judgment be most conducive to the interest of my estate and shall divide the proceeds of such sale between my children who may then be living and the children of any deceased child share and share alike - the children of any deceased child to represent the parent and as a class take the share their parent would have been entitled to if living. But if any of my children should die leaving at the time of the death of my wife only one child living then my will and desire is that the same rule shall be applied as is provided for such child in the 3rd Item of this my last will and testament - and as in that case I direct the remaining half of the deceased child's share to be equally divided among my children who may then be living and the children (being more than one) of any deceased child who as a class are to represent their parent and take the share such parent would be entitled to if living.

Item 5th - In the event of my said wife should marry again then my will and desire is that after her death my executor hereinafter

to be named shall tell the negro Ann and her children with all their increase and add to this amount the sum of two thousand dollars, or so much to be invested for my said wife during her natural life - and divide the same equally amongst my children who may then be living and the children of any deceased child - who are to represent their parents as a class and take the share such parent would be entitled to if living. But if any of my children should die leaving at the time of the death of my said wife only one child surviving - then I make the same provision for such child as is provided in the 3rd Item of this my will - and I also make the same provision for the remaining half of such deceased child's share as is therein provided.

Item 6th - It is my will and desire that my executors hereinafter named shall, immediately after my death, or as soon thereafter as to them may seem best sell the three fifths of my negroes remaining after my wife shall have selected her two fifths as herein before provided, together with the Burnett tract of land, and all my stocks, not specifically bequeathed, upon such terms as may conduce most to the interest of the estate, and they shall add to the proceeds of such sale all money I may leave on hand at my death, and money arising from such notes Bonds accounts choses in action or evidences of debt which I may at that time have, and from the said sum they shall pay all my just debts funeral expenses and other proper demands against my estate and shall divide the remainder between my children who may be living at the time of my death and the children of any deceased child share and share alike - the children of any deceased child as a class representing their parent and taking the share of such parent only.

But if either of my children should die leaving at the time of my death only one child living then I make the same provision for such child as is provided in the 3rd Item of this my last will and testament - and I hereby provide for the distribution of the remaining half as is therein set forth.

Item 7th - It is my will and desire that my Executors herein after named shall act as the guardians and trustees of my daughters (except as to my daughter Susan Ann Frances, wife of John James Gray, and Mary wife of James Thomas) for whom provision will be herein after made) and I wish them from the share of such daughters arising under the 6th Item of this my will to support them during minority, or whilst they remain single (should any support be necessary, I having herein before provided for them a home and support.) and upon any daughter
(Mary Ann)

marrying or arriving at the age of twenty one years I desire my Executors acting as trustees for such daughter to invest the share of such daughter arising under the sixth Item of this will, in negroes and deliver the same to such daughter to be used and enjoyed by her for and during her natural life and after her death to such child or children as she may leave living at the time of her death discharged of trust: But if either of my daughters should die without leaving child or children living at the time of her death - then and in that ~~case~~ event my will is that the share of such daughter whether remaining in money or invested in negroes shall be equally divided amongst my children surviving such daughter - The children of any deceased as a class to take the mother's share - should there be more than one - but if only one - then the same rule to prevail as is provided in the third Item of this will.

Item 8th - Every estate and interest of whatever nature and kind which can or may arise to my daughter Susan Ann Frances wife of John James Gray and Mary wife of James Thomas, under any, and every item of this my will I do hereby give and bequeath the same to my well tried and trusty friend and relative John T. Cheatham in trust for the following purposes, that is to say: he shall invest all sums as shall fall to the shares of my said daughter in good and safe Bank Stock of the Banks of the State of South Carolina, and in the Banks of no other State and as to the dividends arising from the share of my daughter Susan Ann Frances shall as soon as practicable be re-invested and remain without any encroachment upon principal or interest (except in way of Commissions or otherwise to afford a reasonable compensation to the said trustee) during the joint lives of the said John James Gray and Susan Ann Frances his wife, and should the said Susan Ann Frances die in the life time of the said John James Gray - leaving child or children surviving her then my will is that the Estate of the said Susan Ann Frances shall be paid over to such child or children by the said trustee discharged of trust -

But should my said daughter Susan Ann Frances die in the life time of the said John James Gray without leaving surviving her child or children then my will is that her estate shall be divided amongst her surviving brothers and sisters the child or children of any deceased child to represent the parent with the same

restriction in case of only one child as is provided in the 3rd item of this will.

But should my said daughter Susan Ann Frances survive the said John James Gray then I direct the said Trustee immediately after his death to invest the said property in such way as the said Susan Ann Frances may desire for her benefit and comfort during her life - and after her death the said property to go to her children discharged of trust - and should she die without children surviving her then the said property to go in manner as hereinbefore provided.

As to the dividends arising from the share of my daughter Mary, wife of the said James Thomas I make the following direction - From such dividends the said Trustee shall spend so much as may be necessary to provide a proper maintenance and support for the said Mary so long as she may continue to live separated and apart from her said husband - but should she at any time live with her said husband - then this provision shall cease, and the same provisions in all respects shall apply to this share of my said daughter Mary as applies to the share of my daughter Susan Ann Frances with the same limitations and restrictions in case of her surviving her husband - her husband surviving her - her dying without children and her dying leaving children.

Item 9.

It is further my will and desire that my executors herein after named shall hold the estates arising to any grandchild which I may have, under any and every item of this will until such grandchild shall arrive at the age of Twenty one years or shall marry and upon the happening of either of these events they shall deliver to such grandchild the estate coming to such grandchild under this will - to be at his or her disposal. But if either of my grandchildren entitled to any estate under this my will, die without attaining the age of twenty one years or marrying then I desire the share of such grandchild to be equally divided between the children I may leave surviving - the children of any deceased child to represent the parent with the same restriction as to the case of only one child surviving as is provided in the 3rd item of this will.

It is my intention and I so express it that this Item of my will making the estate of my grand children contingent upon their arriving at the age of twenty one years or marrying shall apply only to the case of a child leaving only one child

and it is not intended that this shall apply to grand-children generally.

Item 10th All the remainder and residue of my estate not herein and hereby disposed of I desire to be equally divided amongst my children.

Item 11th It is my will that the estate herein given to my said wife shall be in lieu and bar of all her right of dower in my land.

Item 12th I do hereby nominate and appoint John T. Cheatham and William J. Cheatham Executors of this my last will and testament

Last Will & Testament } The State of South Carolina
of } Abbeville District
Paschal @ Klugh dec. } In the name of God. Amen!

I, Paschal @ Klugh of the state and District aforesaid, being desirous to dispose of my property to take effect after my death, and being at this time in the enjoyment of my usual health of body - strength of mind, memory and understanding, do constitute and publish the following as my last will and testament - viz.

- 1st I direct that my just debts and funeral expenses be punctually paid.
- 2nd I give and devise to my son Henry G. Klugh all of the balance of my estate, both real and personal, to him and his heirs, forever - provided he furnishes to my beloved wife (his mother) a good and comfortable home during her life, and that he places at her disposal the sum of One hundred dollars, which sum she may dispose of at her death by will or otherwise as she may think proper.
- 3rd As ^{to} my daughter Eliza Norwood, the wife of W^m C. Norwood of the state of Georgia, I consider she has been already well provided for, and consequently I leave her nothing under this will, and doing thus, is not from want of affection and love to her, but simply that I consider that my son Henry is in most need, he having a large family of children to raise and educate - she has my kindest wishes, and most sincere love and affection - and also her husband and children.
- 4th I omitted in the proper place to mention, that I devise my Gold watch to be given to my grand son Paschal @ Klugh, the son of Henry G. Klugh.
- 5th I revoke all other wills and testaments by me heretofore made, and nominate constitute and appoint my son Henry G. Klugh the executor of this my last will and testament.

In testimony whereof I have hereunto subscribed my name and affixed my seal this 25th November 1865.

P. @ Klugh ^(seal)
