- (c) CHESTER A. KING, Nephew.

Each person hereafter adopted by me or born to me shall be considered a child of mine for all purposes under this Will.

- ISABEL KING BOWIE - First Choice
- WILLIS ALONZO KING - Second Choice

to which such person shall be entitled, unless the other surviving members of this group shall consent thereto in writing.

This bequest shall lapse as to any of said furniture, household furnishings, personal effects, jewelry and clothing which is not selected by the surviving members of this group within a time which is in the sole discretion of my Executor deemed to be reasonable, and all articles which have not been selected shall be sold by my Executor as soon as conveniently can be done and the proceeds of such sale shall be placed in the residue of my estate.

ARTICLE II

A. I give, devise and bequeath all the rest and residue of my property of whatever name and nature wherever situated, including the proceeds of any insurance policies payable for the benefit of my estate, payable to my estate, or payable to me, my executors, administrators, or assigns, and including all property over which I may have any power of appointment, to that person or those persons who are at the time of my death serving as the trustees under a certain instrument of trust heretofore executed by me on July 20th, 1973, and entitled the "VIRGINIA R. CHAPMAN REVOCABLE TRUST" to be added to the property then held in trust by said trustee, and to be held and administered in accordance with the terms of the trust as stated in said instrument of revocable trust as from time to time hereafter amended.

B. If for any reason the said revocable trust shall not be in existence at the time of my death, or if for any reason a court of competent jurisdiction shall declare this testamentary transfer to the trustee or trustees of said revocable trust as

W. R. E.

amended to be invalid, then I declare that the said residue shall be held, managed, invested and reinvested in exactly the manner described in the said instrument of revocable trust, as amended, for the period beginning with the date of my death, giving effect to all then existing amendments of said trust, if it shall be legal so to do but in any event giving effect to all provisions now in effect, by the same trustee or trustees and the successor or successors therein named and defined, who are to serve hereunder without the necessity of providing official bond or security; and for that purpose and in that event only I do hereby incorporate this same instrument of revocable trust, as now provided, by reference into this my Last Will.

4. To allocate securities or other property in lieu of cash in making any distributions hereunder; and the decision of my executor as to the value of securities or other property for the purpose of such allocation, and its decision as to the distribution of receipts and disbursements as between principal and income, shall be conclusive if made reasonably and in good faith.

5. To collect rents and other proceeds from real estate, pay all carrying charges thereon and make such repairs thereto as they may deem proper without the necessity of obtaining leave of any court.

6. To delegate discretionary powers to agents, remunerate them and pay their expenses.

7. With respect to any property distributable to a minor hereunder, to be fully protected and discharged by delivery of such property to the minor or his guardian or blood relative.

8. In order to facilitate administration of my estate plan, I give to my executor full power to make sale of my probate assets to the trustees from time to time serving under said VIRGINIA R. CHAPMAN REVOCABLE TRUST, to make and receive loans and/or advances to or from said trust, said sales and said loans and/or

V.R.C.

advances to be made on such terms as my said executor and said trustee shall think proper; and I direct that all judgments, decisions and actions so taken, if taken reasonably and in good faith, shall be final and binding upon all persons, even though the entity serving as the trustee under the said VIRGINIA R.

This is a result of the process of urbanization, which has been going on since the beginning of the 20th century. At the same time, the population of rural areas has decreased from about 100 million in 1900 to about 50 million in 1950. This has led to a concentration of the population in urban areas, which has had a profound effect on the economy and society.
