Last Will and Testament

- OF -

ROBERT S. GALLOWAY

I, ROBERT S. GALLOWAY, a resident of the County and State aforesaid, do hereby make, publish, and declare this as and for my Last Will and Testament, hereby revoking any and all testamentary instruments heretofore made by me.

ITEM I

(R.S.G.) I direct that all my just debts and funeral expenses, including the reasonable cost of an appropriate marker for my grave, shall be paid as soon after my death as practicable.

ITEM II

(R.S.G.) I give and bequeath to such of my children as shall survive me, in approximate equal shares, all of my silver, china, crystal, household furniture and furnishings which I acquired prior to my marriage to THELMA G. GALLOWAY, to be divided among them as they may decide.

ITEM III

(R.S.G.) All the rest and residue of my personal and household effects not heretofore disposed of in Item II above, and all automobiles which I own at the time of my death, together with all policies of insurance thereon, I give and bequeath unto my wife, THELMA G. GALLOWAY, or if she shall not survive me, to such of my children as shall survive me, in approximate equal shares, to be divided among them as they may decide.

ITEM IV

If my wife, THELMA G. GALLOWAY, shall survive me, I give, devise and bequeath unto her assets of my estate equal in value to:

(R.S.G.) (1) One-third (1/3rd) of the total of my gross estate as finally determined for United States Federal Estate Tax purposes (whether or not passing under this my will), after deducting from the whole of such gross estate the total of all claims against my estate, including funeral and administration expenses, which are allowed as deductions for such Federal Estate Tax purposes, less

(2) An amount equal to the total of the values included in such Federal gross estate with respect to any insurance upon my life payable to my said wife upon my death, any jointly owned property passing by survi-

vorship to my said wife upon my death, and any property passing to my said wife under any of the preceding provisions of this my will.

(2.20) No property or interest, nor any of the proceeds thereof, for which a marital deduction is not allowable for Federal Estate Tax purposes shall be used for the satisfaction of this bequest, and no such property or interest, nor any of the proceeds thereof, shall pass under this Item of my Will.

ITEM V

(2.20) All the rest and residue of my estate of every kind and description, real and personal property, including also lapsed legacies and devises and any property over which I may have power of appointment or disposition, I give, devise and bequeath to such of my issue as shall survive me, in equal shares, per stirpes.

ITEM VI

(2.20) If any principal or income of my estate shall become vested in a minor, my Executrices may, in their absolute discretion, either pay over such income or principal at any time and from time to time, to the guardian of the property of such minor, or retain the same (or any part thereof) for such minor during minority. In the case of such retention, my Executrices may apply such income or principal, and income therefrom, to the support, maintenance and education of such minor, irrespective of the resources of such minor or of his or her parents, or, in the absolute discretion of my Executrices, such income may be accumulated and retained by them during the minority of such minor, in which event said income shall be added to, and invested as, principal.

(2.20) Any such payments or applications of income or of principal, or income therefrom, may be made directly to such minor, if over the age of fourteen (14) years, or to any parent or guardian with whom such minor may be residing, or to any person, firm or corporation furnishing goods, services or instruction to such minor, in any case without requiring bond, and the receipt of any such person shall be a full acquittal and discharge of my Executrices to the extent of the payments so made. Any such payments which shall be made to persons, other than parents or guardians, furnishing goods, services or instruction to such minor, shall not exceed the reasonable value of goods or services claimed to have been furnished as evidenced by voucher, but my Executrices shall not be required to verify the receipt of any such goods or services, and, in no case shall they be required to see to the application of any such funds so paid.

(2.20) Any such income or principal so retained by my Executrices, any income therefrom, which is not expended or applied under the provisions of this Item shall be paid over to such beneficiary upon attaining majority, or if he or she shall sooner die, to his or her estate. In holding any principal or income for any minor, my Executrices shall have all of the powers, discretionary and otherwise, hereinafter conferred upon them.

ITEM VII

Without limitation of the powers conferred upon them by

statute or general rules of law, my Executrices are specifically authorized and empowered:

(1) To invest funds of my estate in any stocks, bonds, notes or other securities or property, real or personal, including any common or commingled fund maintained by my Executrices, and notwithstanding that such investments may not be of the character allowed to executors by statute or general rules of law, it being my intention to give the broadest investment powers and discretion to my Executrices;

(2) To sell or otherwise dispose of any property, real or personal, at any time forming a part of my estate, for cash or upon credit, in such manner and on such terms and conditions as they may deem best, and no person dealing with them shall be bound to see to the application of any monies paid;

(3) To manage, improve, operate, repair, mortgage and lease for any term any real estate at any time held by them;

(4) To distribute in cash or in kind upon any division of my estate;

(5) To determine any question which may arise as to what constitutes income and what constitutes principal or corpus, and such determination shall be conclusive as to all persons interested hereunder; but subject to such power and except in some unusual instance where it may be exercised to the contrary, shares of stock received by way of stock dividend and all realized appreciation in the value of stocks, bonds, securities or other property (including unproductive and underproductive property) resulting from the sale or other disposition thereof shall be deemed corpus and not income; and

(6) In general, to exercise all of the powers in the management of my estate which any individual could exercise in the management of similar property owned in his own right, upon such terms and conditions as to them may seem best, and to execute and deliver any and all instruments and to do all acts which they may deem proper or necessary to carry out the purposes of this my Will.

ITEM VIII

My Executrices are hereby expressly authorized to continue and operate any private business owned by me at the time of my death or any corporation in which I own a controlling interest of the stock and to do all things which, in their discretion, they deem appropriate for said purposes, with a view, however, of ultimately either

winding up the same, or disposing of the same as a going concern.

For the purpose and without limiting the generality of the foregoing, my Executrices shall be authorized to:

(A) Advance additional capital from the general funds of my estate, if in the Executrices' opinion such be advisable.

(B) To incorporate said business and retain the corporate stock resulting from such incorporation as an asset of the estate.

(C) To employ agents to manage and operate any such business without liability on account of the acts of any such agents selected with reasonable care.

In the event that my Executrices shall continue to operate said business or businesses, either with or without order of Court, they are expressly exonerated from liability for loss resulting from such operation, it being understood that this clause is inserted out of an abundance of caution and not to be deemed to limit in any way any other exoneration clause contained in this Will.

ITEM IX

I hereby nominate, constitute and appoint my wife, THELMA G. GALLOWAY, and my daughter, JEAN A. GALLOWAY, as Executrices of this my Last Will and Testament.
