I give and bequeath the following legacies which I direct my Executors to pay within twenty-four (24) months after my death:

To my office nurse, MISS ANNIE MAE TUCKER, the sum of \$5,000.00 to be her property absolutely.

To my first cousin, FRANCIS J. WILSON, the sum of \$5,000.00 to be his property absolutely.

ITEM IV

I give, devise and bequeath all of the rest and residue of my estate, real, personal and mixed, wherever situated, to my Trustees herein-after named, to be held upon the following trust:

(1) My Trustee shall manage, invest and reinvest the corpus of this trust, and collect and receive the income therefrom.

(2) My Trustees shall pay all necessary and proper expenses in connection with the administration of this trust.

(3) After deducting all necessary and proper expenses, including commission or compensation to the Trustees, my Trustees shall pay over the remaining net income, monthly or quarterly, in equal shares, to my brother, W. M. CLATWORTHY, and my sister, JEANETTE C. CANNON, for and during their natural lives.

(4) In the event that the income of this trust, together with their income from other sources, shall not be sufficient for the reasonable support and maintenance of my brother, W. M. CLATWORTHY, and my sister, JEANETTE C. CANNON, and to permit them to maintain the standard of living to which they were accustomed during my lifetime, I direct my Trustees to use such portion of portions of the corpus of this trust as may be necessary for such purposes.

(5) My Trustees are authorized, at any time and from time to time, in their discretion, to use all or any part of the corpus of this trust for the reasonable support and maintenance of my brother, W. M. CLATWORTHY, and my sister, JEANETTE C. CANNON, and to meet any emergencies which may befall them. The determination of my Trustees as to the advisability of making any payment of corpus shall be final and binding upon all persons then or thereafter interested in this trust.

(6) After the death of my brother, W. N. CLATWORTHY, any payment of income or corpus which would have been made to him, if living, shall be made to my sister, to be her property absolutely.

(7) After the death of my sister, JEANETTE C. CANNON, any payment of income or corpus which would have been made to her, if living, shall be made to my brother, to be his property absolutely.

(8) Upon the death of the survivor of my brother, W. M. CLATWORTHY, and my sister, JEANETTE C. CANNON, this trust shall terminate and the corpus and any accumulated income shall be paid over to my niece, MARY BABB TURNER, to be her property absolutely, if she be then living, and otherwise to my then surviving issue, in equal shares, per stirpes.

(9) The beneficiaries under this trust shall not have the right to sell, assign, transfer, or encumber or in any other manner to anticipate or dispose of their interest in said trust property (including the income to be derived therefrom) until the same be actually paid over to and received by them. Neither the principal nor income produced by said trust shall be liable for the debts of any beneficiary or subject to seizure for any claim of any creditor or other person to whom he or she may be indebted or obligated; nor shall said principal or income be subject to any proceedings at law or in equity instituted in anticipation of or designed to prevent the transmission thereof intact to any said beneficiary.

ITEM V

If any income and/or corpus from my estate or from any trust created hereunder shall become distributable to a person under twenty-one (21) years of age, such income and/or principal shall immediately vest in such beneficiary. In case of such retention, such principal or income, and income therefrom, may be applied to the support and education of such minor, irrespective of any other resources of such minor or of his or her parent, either directly or by payments to the guardian of the property of such minor, and in any case without requiring any bond,

and the receipt of any such person shall be a full discharge to my Executors or Trustees who shall not be bound to see to the application of any such payment. Any such principal or income so retained, and any income therefrom which is not applied under the provisions of this Item, shall be paid over to such beneficiary upon attaining twenty-one (21) years of age, or, if he or she shall sooner die, to his or her estate. In holding any principal or income for any minor, my Executors or Trustees shall have all the powers and discretion herein conferred upon them.

ITEM VI

I hereby nominate, constitute and appoint my brother, W. M. CLATWORTHY, and my sister, JEANETTE C. CANNON, as Executors and as Trustees of the trust provided for in this, my Last Will and Testament. In the event that either my said brother or my said sister fails to qualify or is unable to serve as Executor or as Trustee, I nominate, constitute and appoint my niece, MARY BABB TURNER, as Successor Co-Executrix and Successor Co-Trustee of this, my Last Will and Testament. No bond shall be required of any Executor, Executrix or Trustee named in this, my Last Will and Testament.

Any Executor or Executrix named in this, my Last Will and Testament, may in their sole discretion employ the Trust Department of a commercial bank to assist them with the administration of this estate and trust.

ITEM VII

In addition to the powers conferred by statute or general rules of law, and with the direction that a grant of specific powers shall not be construed as a limitation of general powers granted herein by statute or law, my Executors and my Trustees are authorized and empowered:

- (1) To retain, in the form received, any property or interest in property owned by me at the time of my death.
- (2) To invest funds of my estate or of any trust created hereunder in stocks, bonds, notes, debentures, or other securities, or property, real or personal (including any common or commingled fund), notwithstanding such securities or property may not be eligible investments for fiduciaries under statutory or general law, either as to the nature of the security or as to the percentage of the security in relation to the other investments.

154

It is my intention that they shall have the power to make such investments as they may, in their unrestricted judgment, deem best, and to register and hold any securities or property constituting a part of my estate or any trust created hereunder in the name of any nominee or agent.

(3) To sell, resell, exchange, re-exchange, convey, reconvey, assign, or otherwise transfer or dispose of any property, real or personal, at any time held as part of my estate or of any trust fund established hereunder, for cash or other property, or upon credit, in such manner and upon such terms and conditions as they may deem best, and no person dealing with my estate or with any trust created hereunder shall be required to see to the application of any monies paid.

(4) To borrow money and give security therefor.

(5) To manage, operate, repair, rebuild, mortgage, rent, and lease for such periods and upon such terms as they may deem best, any real estate at any time held by my estate or by any trust created hereunder.

(6) To invest in, and borrow money for, improvements to real estate, either separately or jointly with others where there is joint ownership of such property, whenever such improvements are desirable or expedient to protect or preserve the property, or to secure or retain a desirable tenant, or to increase the rentals.

(7) To collect and receipt for income, rents, profits, proceeds of insurance and of sale, and of any other funds or property to which the estate or any trust fund hereunder is entitled, and to pay therefrom all necessary administration expenses and other necessary expenses in connection with the operation and maintenance of principal assets, including taxes, insurance premiums, and the cost of repairs, replacements and improvements.

(8) To collect and receive the proceeds of insurance policies in the event of loss or damage, and to expend the same in repair, replacement, or improvement of the damaged property, or any other property of my estate or any trusts hereunder, or to hold the same as part of the principal of my estate or any trusts hereunder.

(9) To compromise, settle or arbitrate any claim or obligation to or from me or my estate or any trusts hereunder, and to reduce the rate of interest on, to extend or otherwise modify, or to enforce, any such

obligations.

(10) To vote in person or by proxy, discretionary or otherwise, any stock or securities held by my estate or any trusts hereunder; to participate freely in, or to oppose, corporate reorganizations, recapitalizations, consolidations, mergers and sales; and to exchange stock or securities of one corporation for stock or securities, whether or not of the same class, of the same or any other corporation.

(11) To enforce, or abstain from the enforcement of, any right, obligation or claim, and to abandon any property at any time forming part of my estate or any trusts hereunder, if such action is deemed advisable.

(12) To make payment in cash or in kind upon any division and distribution of my estate or any trusts hereunder.

(13) To value and appraise any asset, and to distribute such asset in kind at such appraised value.

(14) To determine any question which may arise as to what constitutes income and what constitutes principal or corpus, and such determination shall be conclusive as to all persons interested hereunder (but, subject to such power and except in some unusual instance where it may be exercised to the contrary, shares of stock received by way of stock dividend shall be deemed corpus and not income).

(15) To employ such agents and counsel and other persons as may be necessary in the administration of my estate or any trusts hereunder, and to determine and pay them such compensation as may be proper.

(16) In buying and selling assets, in lending and in borrowing money, and in all other transactions, irrespective of the occupancy by the same person of dual positions, to deal with themselves, or either of them, in their separate or any fiduciary capacity, whatsoever.

(17) To commingle the funds of any trusts created by my Will with funds of any other trust or trusts created by me for the same beneficiary or beneficiaries.

(18) In general, to exercise all powers in the management of my estate and any trusts hereunder which any individual could exercise in his own right, upon such terms and conditions as may seem best, and to execute and deliver any and all instruments and to do all acts which

may be deemed necessary or proper to carry out the purposes of this, my Will.

(19) The word "Trustees" when used in any provision of this, my Last Will and Testament, shall be deemed to apply to any Trustee or Joint Trustees named herein.

(20) The word "Executors" when used in this, my Last Will and Testament, shall be deemed to apply to any Executor, Executrix, or Joint Executors named herein.

I further direct that should an action to terminate this title be

be successful, that the property be sold and the sale price be equally divided between Kenny, Marty, and Bobby Young per stirpes; the child or children of any predeceased nephew or nephews of mine to take per stirpes the share to which his, her or their parent would have taken had that parent survived me.

(3) My trustee shall pay all property taxes, assessments, fees, charges and other expenses incurred by either my executrix or my trustee in the administration or protection of this trust or my estate, out of the principal or in full out of the income of the trust estate, or partially out of each of them, in such manner, and in such proportions as my trustee, in her absolute discretion, may determine to be advisable, prior to the final distribution of the trust property; and the determination of the trustee with respect to all such matters shall be conclusive upon all persons howsoever interested in this trust.

(4) Upon the death of my wife, after first making the payments hereinabove provided for in Items 1, 2, and 3, the trustee shall distribute and deliver all of the remaining trust estate, to MARY MARGARET HILL MILAS, in fee simple absolute.

THIRD: I hereby expressly authorize my executrix and my trustee, respectively and successively, if my said wife shall survive me, to permit my wife to enjoy the use or benefit of any household goods, chattels, or other tangible personal property, which either my executrix or my trustee may receive in kind, and my executrix and my trustee shall not be liable for any consumption, damage, injury to, or loss of any tangible property so used.

FOURTH: I appoint my daughter, MARY MARGARET HILL MILAS, of Florida, trustee of any and all trusts hereby created.
