COUNTY OF ABBEVILLE ) LAST WILL AND TESTAMENT

I, Charles B. Evans, Jr., of the County of Abbeville, State of South Carolina, being of sound and disposing mind, memory and understanding, do make, ordain, publish and declare this as and for my Last Will and Testament, hereby revoking all wills and instruments of a testamentary nature heretofore by me made.

ITEM I.

I will and direct that my body shall be decently interred, that a suitable marker be erected to mark my grave, and all expenses therefor be paid out of my estate.

ITEM II.

I direct that my legally enforceable debts and my funeral expenses be paid as soon after my death as may be practical, and I authorize and empower my executor, in case of any claim made against my estate, to settle and discharge the same in its absolute discretion. For convenience, my executor shall be referred to herein by the third person singular.

ITEM III.

(a) I will and bequeath all my tangible personal property not otherwise effectively disposed of by this my Last Will and Testament unto my wife, Lorena J. Evans, if she survives me, or, if she does not survive me, I direct my executor to divide all of my tangible personal property as bequeathed under this Item III and the subparagraphs hereof to my said wife, into two parts, the first of which shall contain so much of such property as my executor shall determine that I would wish to have preserved for my surviving child or children or the natural or legally adopted children of any deceased child or children, and the second of which shall contain the balance of such property. I give the first of such parts unto my children (children of a deceased child

taking their parent's representative part) to be divided among them as they may agree, or in the absence of such agreement or if any of my said beneficiaries is a minor, as my executor shall determine. I direct my executor to dispose of the second of such parts by sale or otherwise as it shall determine in its sole and absolute discretion. The proceeds of any such sale shall form part of my residuary estate. Any determination as to division of property made or other action taken by my executor pursuant to the provisions of this Item shall be conclusive upon all persons interested in my estate.

(b) I direct that the expense of packing, shipping and delivering any of my tangible personal property to a beneficiary or to such beneficiary's residence or place of business shall be paid by my executor as an administration expense of my estate.

ITEM IV.

If my wife, Lorena J. Evans, shall survive me, I will, devise and bequeath unto my Trustee hereinafter named, in Trust, a pecuniary sum which shall consist of the maximum amount which can pass free of Federal estate tax in my estate by reason of the unified credit and any state death tax credit (provided use of this credit does not require an increase in the state death taxes paid) allowable against such tax, diminished by the value of all other property and interests in property, if any, which shall be included in my gross estate for Federal estate tax purposes and the disposition of which do not qualify for the Federal estate tax marital deduction or the federal estate tax charitable deduction, and further diminished by the amount of any charges to principal in my estate which are not allowed as deductions in computing the Federal estate tax in my estate; provided, however, that the sum constituting the Trust herein shall not in any event exceed fifty (50%) percent of my gross estate as determined for Estate Tax purposes.

Rev. 2/1/81

For the purpose of establishing the amount of the trust herein, the final determination, whether by agreement, litigation or otherwise, in the Federal estate tax proceeding in my estate shall be used. I recognize that it is possible no sum may be disposed of by this Item and that any sum so disposed of may be affected by the Executor in exercising certain tax elections. The words "unified credit", "gross estate", "marital deduction" and "charitable deduction", shall have the same meaning as said words shall have under the provisions of the United States Internal Revenue Code applicable to my estate.

In satisfying the devise or bequest pursuant to this item, my executor is authorized to make distribution in cash or in kind, or partly in cash and partly in kind, and each item of property or interest in property distributed in kind is to be valued at the date of its distribution; provided, however, that in all events such distribution shall include all property and interest in property which does not qualify for the Federal estate tax marital deduction and the proceeds of the sale or other disposition of any such property or interest in property and, to the extent practicable, (a) any property or interest in property located outside the United States of America and subject to any foreign death tax, including securities issued by, or other evidences of interest in Corporations organized outside the United States of America, or the proceeds of the sale or other disposition of any such property or interest in property and (b) any property or interest in property, including any right to receive income, which shall be eligible in any way for a tax credit or deduction because it shall be subject to both Federal income tax and the Federal estate tax under the provisions of the Internal Revenue Code applicable to my estate.

My Trustee shall pay over to or use and expend for the benefit of my wife so much of the net income and so much of

the principal, if income be insufficient, as the Trustee in its sole and absolute discretion may deem necessary for the reasonable maintenance and support of my said wife, said payments of income and/or principal to be made at convenient intervals during the lifetime of the beneficiary; provided, however, that at the end of the Trustee's accounting year after the death of my wife, my said trust shall be held, administered and distributed in accordance with the terms and conditions of Subparagraph (b) of Item V of this my Last Will and Testament.

ITEM V.

I will, devise and bequeath unto my Trustee, in trust, to be held and distributed as herein set forth, all of the rest, residue and remainder of my estate, real, personal or mixed, of every kind, nature and description and wheresoever situate, of which I may die seized or possessed, or to, or in, which I may have any right, titled or interest at my death, including all future interests and all property hereinabove ineffectively disposed of because of lapse or for any other reason; but excluding all property, if any, over which I may have a power of appointment, it being my intention that this residuary disposition shall not exercise any such power; all of which is hereinafter referred to as my "residuary estate".

(a) If my wife, Lorena J. Evans, shall survive me.

During my said wife's lifetime, I direct with regard to this Subparagraph (a)

(1) My Trustee shall pay over to, or apply to the benefit of, my wife all of the net income of this trust in quarterly payments or at more frequent intervals as may be directed by my said wife.

(2) My wife shall have the absolute right in her own discretion to invade the principal from time to time, in part or in toto, of my residuary estate trust as set forth in this Subparagraph (a) upon written notice given to my trustee of her desire to so invade the principal; and,

(3) My Trustee may, at any time or from time to time, pay to, or apply for the benefit of my wife, so much or all of the

principal of this residuary estate trust as my Trustee, in its sole discretion, deems necessary or desirable, for the support, maintenance, health, comfort, or general welfare of my wife.

Upon the death of my wife my Trustee shall distribute my residuary estate trust as established pursuant to this Subparagraph (a):

(1) To such persons or to her estate upon such conditions, in trust or otherwise, in such manner and at such time as she appoints and directs by Will specifically referring to this power of appointment; and

(2) In default of such appointment as to any part or all thereof to add to and administer the same pursuant to the terms and conditions of Subparagraph (b) of this Item V of my Last Will and Testament.

To the extent permitted by applicable state law and the Internal Revenue Code, notwithstanding anything to the contrary herein contained, my wife may disclaim or renounce her rights and those of her estate to receive the income and principal from, together with her rights to appoint any portion or all of the principal or accrued income pursuant to the Trust in this Subparagraph (a), as she may specify in an instrument in writing deposited with my executor within 9 months after my death, and in such event such portion so disclaimed or renounced shall not pass under this Subparagraph (a) but instead shall pass and be governed by the provisions of Subparagraph (b) of this Item V of this my Last Will and Testament. In the event that my wife dies within nine (9) months after my death without having disclaimed any rights as described herein, the executor or administrator of my wife's estate may file a disclaimer on behalf of her and her estate by depositing an instrument of disclaimer in writing with my executor within nine (9) months after my death, and in such event such portion so disclaimed shall pass and be governed by the provisions of Subparagraph (b) of this Item V of this my Last Will and Testament.

(b) in the event that my said wife shall not survive me and/or in the event of and to the extent of a disclaimer or renun-

ciation of any portion of my estate heretofore devised or bequeathed, I will, devise, and bequeath that the property passing hereunder be distributed unto my children free of trust in equal shares, children of a deceased child taking their parent's representative share; provided, however, that if either of my children desires to acquire the residence occupied by me and said residence is part of my trust estate at the time of distribution, such child shall be entitled to take said residence in reduction of said child's proportionate interest as based upon the fair market value of the residence at the date of distribution. It is specifically directed that the proportionate distribution for the said children may be made in cash or in kind in the absolute discretion of the said Trustee.

ITEM VI.

Property and cash distributable to a minor under this Will may be distributed by my executor to such minor personally or to such minor's legal guardian, or to some other person for such minor, and the receipt of such minor, or such minor's legal guardian, or such other person, shall be a complete discharge of my executor in regard to such distribution.

ITEM VII.

I hereby authorize my executor to retain any investments which I may own at the time of my death and which, in its judgment, it is advisable so to do and to deliver the same to the residuary trustee in kind. I further authorize my executor to invest any funds at any time in its hands in such stock, bonds, securities, investments or other evidences of indebtedness as to my executor shall seem prudent, with full power and authority to purchase investments as aforesaid at a premium, and in its discretion, to deduct all or any part of such premium from income.

ITEM VIII.

In the administration of my trust and estate established hereby, the Executor and Trustee shall have the following powers:

(b) To change investments and properties, and to invest and reinvest all or any part of the corpus of my estate or of any of the trusts hereby created in such securities, investments or other property including an undivided interest in any one or more common trust funds maintained by a professional Executor/Trustee as it may deem advisable and proper, irrespective of whether the same are authorized for the investment of trust funds by the laws of the State of South Carolina.

(c) To sell all or any part of the property of whatsoever kind of which I may die seized or possessed, or to or in which I may be or become in any way entitled or have any interest whatsoever or over which I may have any power of appointment, or which at any time may constitute a part of my estate or of the trusts hereby established, at such times, upon such terms, for cash or on credit, with or without security, in such manner and at such prices, either by public or private sale, as to it shall seem advisable and proper, and to execute good and sufficient deeds and bills of sale therefor.

(d) To lease any property held by it for the duration of the term, irrespective of the provisions of any statute or of the termination of any trust; and to mortgage, pledge, collect, convert, redeem, exchange or otherwise dispose of any securities or other property at any time held by it.

(e) To borrow money, whether to pay taxes, exercise subscriptions, rights and options, pay assessments or to accomplish any other purpose of any nature incidental to the administration of my estate and any trust hereby established, and to pledge any securities or other property held by it as security therefor.

(f) To enforce any bonds, mortgages or other obligations or liens held hereunder; to enter into such contracts and agreements and to make such compromise or

apportioned as between income and principal, including the right to charge an Executor or Trustee fee solely against income and to charge depreciation for tax purposes without the necessity of establishing a reserve.

(j) To carry out agreements made by me during my lifetime, including the consummation of any agreements relating to the capital stock of corporations owned by me at the time of my death, and including the continuation of any partnership of which I may be a member at the time of my death whenever the terms of the partnership agreement obligate my estate or my personal representative to continue my interest therein and to enter into agreements for the rearrangement or alteration of any interest or rights or obligations under any such agreements in effect at the time of my death.

(m) Except as otherwise directed, to make any division or distribution required under the terms of my Will or the trusts hereunder in kind or in money, or partly in kind or partly in money, and to that end to allot to any part or share such stock, securities or other property, real or personal, as to it seems proper in its absolute discretion, and its judgment as to the value of such

stock, securities or other property so allotted shall be conclusive on all parties, provided, however, that the Executor/Trustee shall not be required to make physical division of the funds except when necessary for the distribution of principal but may, in its discretion, keep any trusts in one or more consolidated funds; nor shall the Executor/Trustee be required to make any provision on account of the diminution or increase in value of any securities or investments at any time constituting a part of my estate or the trusts hereby established or for depreciation in respect of any tangible property, or for the purpose of amortizing or making good any amounts paid in premiums on the purchase of securities or of any other property.

(n) My Executor/Trustee may freely act under all or any part of the powers by my trust given to it in all matters concerning my estate and any trusts hereby established, after forming its judgment based upon all of the circumstances of any particular situation as to the wisest and best course to pursue, without the necessity of obtaining the consent or approval of any court, and notwithstanding that it may also be acting as an individual, or as trustee of other trusts, or as agent for other persons or corporations interested in the same matters as stockholders, directors or otherwise; and any trusts herein created have been so made in contemplation of such freedom of judgment and action.

(o) The powers herein granted to my Executor/Trustee may be exercised in whole or in part, from time to time, and shall be deemed to be supplementary to and not exclusive of the general powers of fiduciaries pursuant to law, and shall include all powers necessary to carry the same into effect. (p) A corporate Executor/Trustee shall be entitled to compensation in administering and distributing the Estate and Trust property according to its standard fee schedule then in effect and to reimbursement for its payment of trust expenses.

(q) Notwithstanding anything else herein to the contrary, if at any time my estate or a trust created herein shall have as an asset a policy of insurance on the life of a Trustee or Executor, such Trustee or Executor shall have no right or authority to deal with such policy of insurance. If there are co-executors or co-trustees then serving, the other Executor or Trustee shall exclusively exercise all incidents of ownership. If there is not a co-executor or co-trustee, then the Trustee shall appoint a third party to deal with said policy and all incidents of ownership related thereto.

ITEM IX.

In the event that all or any part of my estate or trust shall be distributable to and vested in a minor, my Executor/Trustee is authorized and empowered, in its absolute discretion, to hold the property so distributable and vested in such minor, or any part thereof, in a separate fund for the benefit of such minor, notwithstanding that such property may consist of investments not authorized by law for trust funds, and to invest and reinvest the same, collect the income therefrom, and, during the minority of such minor to apply so much of the net income or principal thereof to the support, education and main-

tenance of such minor, as my Executor/Trustee shall see fit, and to accumulate, invest and reinvest the balance of the income until such minor shall attain the age of twenty-one (21) years and thereupon pay over the corpus, together with any accumulated and undistributed income, to such minor. If such minor shall die before attaining the age of twenty-one (21) years, the corpus, together with any accumulated and undistributed income, shall be paid over to the estate of such minor. The authority conferred upon my Executor/Trustee by this paragraph shall be construed as a power only and shall not operate to suspend the absolute ownership of such property by such minor but to prevent the absolute vesting therein of such minor with respect to the administration of any such property which shall vest in the absolute ownership in a minor and which shall be held by the Executor/Trustee as authorized in this paragraph.

ITEM X.

In the event the income or principal payment under this my Last Will and Testament or any share thereof becomes payable to a person under legal disability or to a person not adjudicated incompetent but who, by reason of illness or mental or physical disability is, in the opinion of my Executor/Trustee, unable to properly administer such amounts, then such amounts shall be paid out by my Executor/Trustee in such of the following ways as my Executor/Trustee deems best:

- (a) Directly to such beneficiary;
- (b) To a legally appointed guardian of such beneficiary;
- (c) To some relative or friend for the care, support, and education of such beneficiary;
- (d) By the Executor/Trustee, using such amounts directly for such beneficiary's care, support and education.

the time of my death in my name and/or a Joint Tenant which are in turn payable on or after my death to such survivor shall be the sole property of such survivor and my executor shall make no claim against the Joint Tenant on account thereof.

ITEM XII.

Notwithstanding anything herein to the contrary, all property of any and every trust established pursuant to any of the trusts created herein shall vest in and be distributed to the persons then entitled to distributions of income at the expiration of twenty-one (21) years after the death of the last surviving beneficiary of such trust who is living at the time of my death, unless sooner vested as provided herein. The purpose of this provision is to prevent violation of the rule against perpetuities, and it shall be so construed.

ITEM XIII.

I direct that all estate, inheritance, succession, transfer and other death taxes and duties of any nature which may be assessed or imposed upon or with respect to all property includible in my gross estate for the purposes of such taxes and duties, together with any interest and penalties thereon, shall be paid in the manner hereinafter provided:

(a) If my wife shall not survive me, such taxes, duties, interests and penalties shall be paid out of the principal of my residuary estate, as an expense of administration, without contribution or reimbursement from, proration to, or apportionment against, any bequest or devise under this my Last Will and Testament or any other person owning or receiving any property, which is includible in my gross estate but which does not pass under this my Last Will and Testament.

(b) If my wife survives me, such taxes, duties, interest and penalties shall be charged against the maximum amount ascertained as provided in Item IV and to the extent that such maximum amount is insufficient fully to

discharge the same, the amount of such insufficiency shall be apportioned against and paid by the persons entitled to or benefiting from the property occasioning such taxes, duties, interest and penalties in the manner provided by law.

ITEM XIV.

In the event that my wife and I should die simultaneously or under such circumstances that make it impossible to determine which of us shall have died first, it shall be conclusively presumed that my wife survived me.

ITEM XVI.

I hereby nominate, constitute and appoint Lorena J. Evans, Charles B. Evans, III and Benjamin Johnson Evans, or the survivors, as Executor of this my Last Will and Testament and Trustee of the trusts created herein. I direct that neither my Executor nor my Trustee be required to give bond.
