It is my intention that no such memorandum or writing need be admitted to probate, but may nevertheless be considered by my Executor in the exercise of his discretion and in order to give effect to my wishes, regardless of the fact that such memorandum or writing may not have been executed with the formalities required for Wills or Codicils. ITEM I

I direct that all of my just debts, secured and unsecured, be paid as soon as practicable after my death.

ITEM II

I give, devise and bequeath all of my personal property and household effects of every kind including but not limited to furniture, appliances, furnishings, pictures, silverware, china, glass, books, jewelry, wearing apparel, boats, automobiles, and other vehicles, and all policies of fire, burglary, property damage, and other insurance on or in connection with the use of this property to, LINDA S. WILSON, VICKIE S. MILFORD and RONNIE SEAWRIGHT in approximately equal shares, provided, however, the issue of a deceased child shall take his or her parent's share, per stirpes.

ITEM III

I give, devise and bequeath all of the rest, residue and remainder of my property of every kind and description, wherever situate and whether acquired before or after the execution of this Will, absolutely in fee simple to LINDA S. WILSON, VICKIE S. MILFORD and RONNIE SEAWRIGHT in approximately equal shares, provided, however, the issue of a deceased child shall take his or her parent's share, per stirpes.

ITEM IV

I hereby nominate, constitute and appoint Executrix of this my Last Will and Testament, LINDA S. WILSON and direct that she shall serve without bond. If my said executrix is unable or unwilling to serve, I nominate, constitute and appoint VICKIE S. MILFORD and direct that she shall serve without bond.

Recorded April 30, 1991 Will Book # 17 Page 99-102

By way of illustration and not of limitation and in addition to any inherent, implied, or statutory powers granted to executors generally, my executrix is specifically authorized and empowered: to allot, assign, buy, care for, collect, contract with respect to, to continue any business of mine, convey, convert, deal with, dispose of, enter into, exchange, hold, improve, incorporate any business of mine, invest, lease, manage, mortgage, grant and exercise options with respect to, take possession of, pledge, receive, release, repair, sell, sue for, and in general to exercise all of the powers in the management of similar property owned in her own right, upon such terms and conditions as to my executrix may deem best, and to execute and deliver any and all instruments and to do all acts which my executrix may deem proper or necessary to carry out the purpose of this Will, without being limited in any way by the specific grants of power made, and without the necessity of a court order. Any substitute or successor executor/executrix shall have all the powers granted to the original executrix.

ITEM VI

Whenever my executrix herein named (or any successors or substitute executor) is directed to distribute any property in fee simple to a person who is a minor at the date of distribution, my executrix shall transfer, convey and assign such property to herself as trustee and shall hold the property of such minor in trust for such minor during minority using so much of the net income and principal of the property as my trustee shall deem necessary to provide for the proper support, medical care and education of such minor taking into consideration to the extent my trustee deems advisable any other income or resources of such minor or of his or her parents. Such minor's property shall be paid over and distributed to such minor upon attaining age twenty-one (21) or if he or she shall sooner die, to his estate. Whenever my trustee determines it appropriate to pay any money or benefit of any minor for whom a trust is created hereunder, such amounts shall be paid out by my trustee in such of the following ways as my trustee deems best: (1) directly to such beneficiary; (2) to the legally appointed guardian of such beneficiary; (3) to some relative or

beneficiary, (4) by my trustee using such amounts directly for such beneficiary's support, medical care and education. In holding any property for a minor under the provisions of this Item, my trustee shall have all of the power, discretionary or otherwise, heretofore conferred upon her as executrix.

ITEM VII

If any beneficiary and I should die as a result of a common accident or calamity or otherwise under such circumstances as would render it doubtful whether the beneficiary or I died first, then it shall be conclusively presumed for the purposes of this Will that said beneficiary predeceased me.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal this 16th day of May, 1990.
